

# ATLAS R-ONE M-LOK FREE FLOATING HANDGUARDS FOR AR-15 - AERO PRECISION ATLAS R-ONE 7" HANDGRD M-LOK FREE FLOAT FOR AR-15 ODG ANO

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The ATLAS R-ONE is the newest addition to the Aero Precision Handguard lineup. Machined from 6061-T6 Aluminum, the R-ONE line of handguards are designed with size and weight in mind, providing the perfect handguard for your lightweight build. Our proprietary ATLAS attachment system is a durable and dependable mounting platform, maintaining a slim profile while still providing the strength and stability customers have grown to love from Aero Precision handguards. Available in KeyMod and M-LOK® profiles with 12" and 15" options (7" and 9" options coming soon). ATLAS The new Aero Taper Lock Attachment System (ATLAS) is both functional and aesthetically pleasing. It features 2 mirrored tapered locking nuts that provide evenly distributed clamping pressure across a custom engineered barrel nut with use of a turnbuckle screw. A ratcheting detent further secures the design while providing positive registration during installation. By design, the even pressure of the ATLAS system avoids distortion of the handguard often seen with current applications during installation. All hardware mounting parts are included with the purchase of an ATLAS Handguard. Lightweight By Design KeyMod Handguard Weights: 7" - 5.12 oz / 9" - 5.92 oz / 12" - 7.84 oz / 15" - 8.96 oz M-LOK Handguard Weights: 7" - 5.22 oz / 9" - 6.03 oz / 12" - 8 oz / 15" - 9.07 oz Mounting Hardware Weight: 4.72 oz (same across all ATLAS Handguard options) Features: Full top picatinny rail for optional attachments Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Compatible with low profile gas blocks 1.3" Inside diameter 1.5" Outside diameter Compatible with mil-spec AR15 upper receivers and barrels ATLAS Handguards are designed to match seamlessly with our M4E1 Threaded Upper Receivers. Additionally, they are compatible with any Mil-Spec AR-15 upper receivers as well. However, they may not be compatible with billet upper receivers due to indexing tabs. Save when you buy them as a combo.

# Safety Instruction Guide for ATLAS RONE MLOK Free Floating Handguards for AR15

## Introduction

Thank you for choosing the ATLAS RONE MLOK Free Floating Handguards for your AR15. This guide provides essential safety instructions to ensure the safe and effective use of your handguard. Please read this document carefully to understand the proper handling, installation, and disposal of the product.

## General Safety Guidelines

- **Product Safety:** Ensure safe use by following all instructions. This product is designed for nonfood use and complies with EU safety standards.
- **Enhanced Recalls:** Stay informed about potential recalls. If you receive a recall notice, follow the instructions provided for a remedy.
- **Online Shopping:** If purchased online, ensure the seller complies with safety standards as required by EU regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is kept out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to your local EU contact point.
- **Rapid Alerts:** Monitor the EU Safety Gate platform for updates on product safety and recalls.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation may lead to handguard failure.
  - Failure to follow safety instructions may result in injury.
- **Instructions for Avoiding Hazards:**
  - Always ensure that the handguard is securely mounted before use.
  - Do not exceed the recommended weight limit for attachments.
  - Regularly inspect the handguard for signs of wear or damage.
  - Use only compatible accessories as specified in this guide.
- **AgeSpecific Warnings:**
  - This product is intended for adult users. Keep out of reach of children.

## Instructions for Installation and Usage

### 1. Tools Required:

- Allen wrench (included)
- Torque wrench (recommended)

### 2. Installation Steps:

- Ensure your firearm is unloaded and safe to work on.
- Remove the existing handguard from your AR15 using the appropriate tools.
- Align the ATLAS RONE Handguard with the upper receiver.
- Insert the barrel nut and secure it using the included locking nuts.

- Use the torque wrench to tighten the locking nuts to the manufacturer's specifications.
- Attach any desired accessories to the picatinny rail and ensure they are securely mounted.

### **3. Usage Guidelines:**

- Before each use, perform a visual inspection of the handguard and attachments.
- Do not exceed the weight limits specified in the product description.
- Ensure that all components are properly secured before operating the firearm.

## **Disposal Instructions**

- Dispose of the ATLAS RONE Handguard in accordance with local regulations for aluminum products.
- Do not dispose of the handguard in regular household waste.
- If the product is damaged or no longer usable, consider recycling the aluminum components.

## **Contact Information for Further Support**

For any inquiries or support regarding the ATLAS RONE MLOK Free Floating Handguards, please refer to the manufacturer's website or contact their support team directly.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your new ATLAS RONE handguard responsibly!
