

# ATLAS R-ONE M-LOK FREE FLOATING HANDGUARDS FOR AR-15 - AERO PRECISION ATLAS R-ONE 15" HANDGUARD M-LOK FREE FLOAT FOR AR-15 ODG ANO

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The ATLAS R-ONE is the newest addition to the Aero Precision Handguard lineup. Machined from 6061-T6 Aluminum, the R-ONE line of handguards are designed with size and weight in mind, providing the perfect handguard for your lightweight build. Our proprietary ATLAS attachment system is a durable and dependable mounting platform, maintaining a slim profile while still providing the strength and stability customers have grown to love from Aero Precision handguards. Available in KeyMod and M-LOK® profiles with 12" and 15" options (7" and 9" options coming soon). ATLAS The new Aero Taper Lock Attachment System (ATLAS) is both functional and aesthetically pleasing. It features 2 mirrored tapered locking nuts that provide evenly distributed clamping pressure across a custom engineered barrel nut with use of a turnbuckle screw. A ratcheting detent further secures the design while providing positive registration during installation. By design, the even pressure of the ATLAS system avoids distortion of the handguard often seen with current applications during installation. All hardware mounting parts are included with the purchase of an ATLAS Handguard. Lightweight By Design KeyMod Handguard Weights: 7" - 5.12 oz / 9" - 5.92 oz / 12" - 7.84 oz / 15" - 8.96 oz M-LOK Handguard Weights: 7" - 5.22 oz / 9" - 6.03 oz / 12" - 8 oz / 15" - 9.07 oz Mounting Hardware Weight: 4.72 oz (same across all ATLAS Handguard options) Features: Full top picatinny rail for optional attachments Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Compatible with low profile gas blocks 1.3" Inside diameter 1.5" Outside diameter Compatible with mil-spec AR15 upper receivers and barrels ATLAS Handguards are designed to match seamlessly with our M4E1 Threaded Upper Receivers. Additionally, they are compatible with any Mil-Spec AR-15 upper receivers as well. However, they may not be compatible with billet upper receivers due to indexing tabs. Save when you buy them as a combo.

# Safety Instruction Guide for ATLAS RONE MLOK Free Floating Handguards for AR15

## Introduction

Thank you for choosing the ATLAS RONE MLOK Free Floating Handguards for your AR15. This guide provides essential safety instructions and information to ensure the safe use and installation of your handguard. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that the handguard is compatible with your specific AR15 model.
- Inspect the handguard and all mounting hardware for any signs of damage or defects before installation.
- Always follow safe firearm handling practices when installing or using the handguard.
- Keep the handguard and all accessories out of reach of children and unauthorized users.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not exceed the weight limit of the handguard. Ensure that all mounted accessories are securely fastened.
- Avoid using the handguard with noncompatible components, as this may lead to instability or failure.
- Ensure that the handguard is correctly installed and securely fastened before use.
- Regularly inspect the handguard for wear and tear, especially after heavy use.
- Use caution when cleaning the handguard; avoid abrasive materials that may damage the finish.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and components for installation.
- Ensure the firearm is unloaded and pointed in a safe direction.

### 2. Installation Steps

- Remove the existing handguard from the AR15 upper receiver.
- Align the ATLAS RONE handguard with the upper receiver.
- Use the provided ATLAS attachment system to secure the handguard in place:
  - Insert the custom engineered barrel nut.
  - Use the turnbuckle screw to tighten the locking nuts evenly.
  - Ensure that the ratcheting detent is engaged for added security.
- Doublecheck that the handguard is firmly attached and does not move.

### 3. Usage

- Once installed, ensure that all accessories are properly mounted and secured.
- Follow all firearm safety protocols during use.

## Disposal Instructions

- Dispose of the handguard and any associated components in accordance with local regulations.
- Do not dispose of the handguard in regular household waste if it is damaged or defective.
- Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the ATLAS RONE MLOK Free Floating Handguards, please refer to the manufacturer's website or customer service for assistance.

By following these guidelines, you can ensure the safe and effective use of your ATLAS RONE handguard. Thank you for your attention to safety.
