

# ATLAS R-ONE M-LOK FREE FLOATING HANDGUARDS FOR AR-15 - AERO PRECISION ATLAS R-ONE 7" HANDGRD M-LOK FREE FLOAT FOR AR-15 KODIAK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The ATLAS R-ONE is the newest addition to the Aero Precision Handguard lineup. Machined from 6061-T6 Aluminum, the R-ONE line of handguards are designed with size and weight in mind, providing the perfect handguard for your lightweight build. Our proprietary ATLAS attachment system is a durable and dependable mounting platform, maintaining a slim profile while still providing the strength and stability customers have grown to love from Aero Precision handguards. Available in KeyMod and M-LOK® profiles with 12" and 15" options (7" and 9" options coming soon). ATLAS The new Aero Taper Lock Attachment System (ATLAS) is both functional and aesthetically pleasing. It features 2 mirrored tapered locking nuts that provide evenly distributed clamping pressure across a custom engineered barrel nut with use of a turnbuckle screw. A ratcheting detent further secures the design while providing positive registration during installation. By design, the even pressure of the ATLAS system avoids distortion of the handguard often seen with current applications during installation. All hardware mounting parts are included with the purchase of an ATLAS Handguard. Lightweight By Design KeyMod Handguard Weights: 7" - 5.12 oz / 9" - 5.92 oz / 12" - 7.84 oz / 15" - 8.96 oz M-LOK Handguard Weights: 7" - 5.22 oz / 9" - 6.03 oz / 12" - 8 oz / 15" - 9.07 oz Mounting Hardware Weight: 4.72 oz (same across all ATLAS Handguard options) Features: Full top picatinny rail for optional attachments Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Compatible with low profile gas blocks 1.3" Inside diameter 1.5" Outside diameter Compatible with mil-spec AR15 upper receivers and barrels ATLAS Handguards are designed to match seamlessly with our M4E1 Threaded Upper Receivers. Additionally, they are compatible with any Mil-Spec AR-15 upper receivers as well. However, they may not be compatible with billet upper receivers due to indexing tabs. Save when you buy them as a combo.

# Safety Instruction Guide for ATLAS RONE MLOK Free Floating Handguards

## Introduction

Thank you for choosing the ATLAS RONE MLOK Free Floating Handguards for your AR15. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your handguard. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that the handguard is installed correctly to avoid any accidents during use.
- Always follow the manufacturer's instructions for installation and maintenance.
- Regularly inspect the handguard for any signs of wear or damage.
- Use only compatible accessories and components with the ATLAS RONE handguard.
- Keep the handguard out of reach of children and vulnerable individuals.
- If you notice any defects or malfunctions, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

### • Installation Precautions:

- Use the provided hardware for mounting. Do not substitute with other parts.
- Ensure that the mounting surface is clean and free from debris.
- Follow the installation instructions closely to avoid improper fitting.

### • Operational Precautions:

- Do not exceed the weight limit of the handguard when attaching accessories.
- Avoid using the handguard in extreme weather conditions that may affect its performance.
- Do not modify the handguard in any way, as this may compromise its structural integrity.

### • Maintenance Precautions:

- Clean the handguard regularly with a soft cloth and mild detergent.
- Avoid using harsh chemicals or abrasive materials that could damage the finish.
- Check for any loose screws or parts before each use and tighten as necessary.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Gather all necessary tools and components, including the ATLAS RONE handguard and mounting hardware.
- Remove the existing handguard from your AR15 upper receiver.
- Align the ATLAS RONE handguard with the upper receiver, ensuring that the barrel nut is properly seated.
- Use the provided turnbuckle screw to secure the handguard, ensuring even pressure is applied.
- Check the alignment and tighten the locking nuts to secure the handguard in place.
- Verify that the handguard is securely mounted by gently pulling on it.

### 2. Usage Guidelines:

- Familiarize yourself with the handguard's features, including the full top picatinny rail and quick disconnect sling sockets.
- When attaching accessories, ensure they are compatible with the MLOK system.
- Practice safe handling and storage of your firearm, following all relevant laws and regulations.

## **Disposal Instructions**

- Dispose of the ATLAS RONE handguard and any associated packaging materials in accordance with local regulations.
- Do not dispose of the handguard in regular household waste if it is damaged or defective. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the ATLAS RONE MLOK Free Floating Handguards, please refer to the manufacturer's contact information provided with your product packaging. It is essential to have a reliable point of contact for safety inquiries and support.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your ATLAS RONE handguard. Thank you for your attention to safety.
