Safety Instruction Guide for Solus Competition Chassis for Remington 700 Short Action

Introduction

Thank you for choosing the Solus Competition Chassis for your Remington 700 Short Action. This guide provides essential safety information and instructions to ensure the safe and effective use of the product. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Ensure that the chassis is compatible with your Remington 700 Short Action before installation.
- Always handle firearms and related accessories with care and in a responsible manner.
- Keep the chassis and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear, damage, or defects before use.
- Follow all local laws and regulations regarding the use and storage of firearms and firearm accessories.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Ensure that the firearm is unloaded before attaching or detaching the chassis.
- Avoid using the chassis in extreme weather conditions or environments that may compromise its integrity.
- Do not modify the chassis or any of its components, as this may lead to safety hazards.
- Be aware of your surroundings and ensure a safe shooting environment when using the rifle equipped with the chassis.

Instructions for Installation and Usage

1. Installation of the Chassis:

- Ensure that the firearm is completely unloaded.
- Remove the original stock from the Remington 700 Short Action according to the manufacturer's instructions.
- Align the chassis with the action of the rifle, ensuring that the VBlock bedding surfaces fit securely.
- Secure the chassis in place using the provided screws and tools, following the torque specifications outlined in the manufacturer's guidelines.
- Attach the adjustable magazine catch and thumb rest as needed for your preferences.

2. Using the Chassis:

- Adjust the length of pull using the 7position adjustable feature to fit your shooting style.
- Set the cheek comb to your desired height for optimal eye alignment with the scope.
- Utilize the adjustable cant recoil pad for comfort during shooting.
- Ensure that the QD sling sockets are properly secured before attaching any slings.

3. Maintenance:

- Regularly clean the chassis and inspect for any damage or loose components.
- Lubricate moving parts as necessary to ensure smooth operation.
- Store the chassis in a dry, cool place when not in use to prevent corrosion.

Disposal Instructions

- Dispose of the chassis and any associated materials in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- If the chassis is damaged beyond repair, consider recycling metal components where possible.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Solus Competition Chassis, please refer to the manufacturer's website or customer support resources.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your Solus Competition Chassis. Always prioritize safety and responsible handling of firearms and accessories. Thank you for your attention to these important safety measures.
