

# RECC-E CARBINE STOCKS - REPTILIA CORP RECC-E CARBINE STOCK BLACK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

Introducing the RECC-E™ Carbine Stock by Reptilia®! After more than two years of development and testing, Reptilia is proud to announce the RECC-E Stock for AR15/M16 pattern rifles. Designed at the request of a military end user, the RECC-E Stock features a constant cheek weld, ambidextrous QD sling attachment points, rubber buttpad, and a modular design that allows usage of a standard AR15 carbine buffer system, or A5/SR25 carbine buffer system by replacing the receiver extension (buffer tube) and forward portion of the stock. Weighing only 12.0 ounces including the proprietary AR15-length receiver extension, the RECC-E stock is the ideal lightweight solution for the entire spectrum of AR-pattern guns from compact to precision. Includes Reptilia's proprietary carbine length receiver extension "buffer tube" and all mounting hardware. Receiver Extension: 7075-T6 Aluminum, Type III Milspec Anodized Finish Materials: Impact Modified Glass-Filled Nylon Polymer, 7075 Type III anodized aluminum, Nitrided alloy steel hardware Weight (AR15/M16): 12.0 oz. Length of Pull (AR15/M16): 10.8 in. - 14.2 in. Patents Pending

# RECC-E Carbine Stock Safety Instructions

## Introduction

Thank you for choosing the RECC-E Carbine Stock by Reptilia Corp. This product has been designed for AR15/M16 pattern rifles to enhance performance and comfort. To ensure safe and effective use of your carbine stock, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the product before use for any signs of damage or wear.
- Do not exceed the manufacturer's recommended weight limits.
- Keep the product away from children and unauthorized users.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Installation:** Ensure that the installation is performed according to the instructions provided. Improper installation may lead to malfunction or injury.
- **Weight Limit:** The RECC-E Carbine Stock is designed for use with AR15/M16 rifles. Do not use it with firearms that exceed the weight limit specified by the manufacturer.
- **Adjustments:** Make all adjustments to the stock while the firearm is unloaded and pointed in a safe direction.
- **Usage:** Only use the stock for its intended purpose. Do not modify the product in any way.
- **Sling Attachment Points:** Ensure that any slings attached to the QD points are secure and properly adjusted to prevent accidental detachment.

## Instructions for Installation and Usage

### 1. Installation of the Stock:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock by unscrewing the receiver extension (buffer tube).
- Install the RECC-E Carbine Stock by attaching the proprietary receiver extension.
- Securely fasten all mounting hardware.

### 2. Adjusting Length of Pull:

- Adjust the length of pull by sliding the stock to the desired position.
- Ensure that the adjustment is locked in place before use.

### 3. Using the Sling Attachment Points:

- Attach your sling to the ambidextrous QD sling attachment points.
- Ensure that the sling is securely fastened and adjusted to your preference.

### 4. Maintenance:

- Regularly inspect the stock for wear and tear.
- Clean the stock with a damp cloth and mild detergent as needed.
- Avoid using harsh chemicals that may damage the materials.

## Disposal Instructions

- When disposing of the RECC-E Carbine Stock, follow local regulations for disposal of polymer and metal materials.
- Do not dispose of the product in regular household waste. Instead, consider recycling options where available.

## Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe conditions, please refer to the contact information provided by the retailer or manufacturer. Ensure you have the product details ready for assistance.

Thank you for prioritizing safety while using the RECC-E Carbine Stock. Enjoy your enhanced shooting experience!
