# SBR2P BIPOD HARRIS Safety Instructions

## Introduction

Thank you for choosing the SBR2P Bipod Harris. This product is designed for stability and ease of use while shooting. Please read this safety instruction guide carefully to ensure safe usage and proper maintenance of your bipod.

## General Safety Guidelines

- Always inspect the bipod for any damage or wear before use.
- Ensure that the bipod is securely attached to the Picatinny rail before deploying.
- Use the bipod only for its intended purpose - shooting from a stable position.
- Keep the bipod out of reach of children and vulnerable individuals.
- Do not modify or alter the bipod in any way, as this may compromise safety.
- Always follow local laws and regulations regarding firearm use and safety.

## Specific Safety Precautions for Use

- **Uneven Terrain:** When using the bipod on uneven or sloped surfaces, ensure that the legs are fully deployed and stable to prevent tipping.
- **Swiveling Mechanism:** The bipod is designed to swivel. Be cautious when using this feature to maintain balance and prevent accidental falls.
- **SpringLoaded Legs:** Be aware that the legs are springloaded and can deploy quickly. Keep fingers and other objects clear when adjusting.
- **Weight Limit:** Ensure that the weight of the firearm and any accessories does not exceed the bipod's capacity to maintain stability.
- **Weather Conditions:** Avoid using the bipod in extreme weather conditions that may affect performance or safety.

## Instructions for Installation and Usage

### 1. Installation:

- Align the bipod with the Picatinny rail on your firearm.
- Securely attach the bipod by sliding it onto the rail until it clicks into place.
- Ensure that the bipod is firmly attached and does not wobble.

### 2. Deployment:

- Press the release button to deploy the legs.
- Extend the legs to the desired height (6" to 9") and ensure they lock into place.
- Adjust the swivel feature as necessary to achieve the correct angle for your shooting position.

### 3. Usage:

- Position the bipod firmly on the ground.
- Ensure that the firearm is stable and balanced on the bipod.
- Maintain a safe shooting stance and ensure that the area is clear of obstructions.

### 4. PostUse:

- After use, retract the legs by pressing the release button.
- Detach the bipod from the Picatinny rail by sliding it off.

- Store the bipod in a safe and dry location.

## Disposal Instructions

- Dispose of the bipod in accordance with local regulations for metal and plastic waste.
- Do not dispose of the bipod in regular household waste.
- Consider recycling materials where possible to minimize environmental impact.

## Contact Information for Further Support

For any inquiries regarding safety, usage, or maintenance of your SBR2P Bipod Harris, please refer to the manufacturer's contact information provided with your product packaging.

## Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your SBR2P Bipod Harris. Always prioritize safety and responsible usage when handling firearms and accessories. Thank you for your attention to these guidelines.
