# SL2 BIPOD HARRIS Safety Instruction Guide

## Introduction

Thank you for choosing the SL2 BIPOD HARRIS. This product is designed to enhance your shooting experience by providing stability and versatility. To ensure your safety and the proper use of this bipod, please read this safety instruction guide thoroughly. It includes essential safety guidelines, specific precautions, installation instructions, and disposal information.

## General Safety Guidelines

- Always use the bipod in accordance with the manufacturer's instructions.
- Inspect the bipod before each use for any signs of wear or damage.
- Ensure that the bipod is securely attached to the sling swivel stud before use.
- Use the bipod only for its intended purpose, which is to provide stability when shooting.
- Keep the bipod out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure the bipod is properly adjusted to the desired height (9" to 13").
- When using the bipod on uneven terrain, be cautious of the swiveling mechanism to avoid tipping.
- Do not exceed the weight limit of the bipod; ensure it is suitable for your firearm.
- Avoid using the bipod in extreme weather conditions that may affect its performance.
- Store the bipod in a dry place when not in use to prevent corrosion or damage.

## Instructions for Installation and Usage

### 1. Installation:

- Locate the sling swivel stud on your firearm.
- Align the bipod's attachment point with the sling swivel stud.
- Firmly push the bipod onto the stud until it clicks into place, ensuring it is secure.

### 2. Adjusting Height:

- Grasp the bipod legs and pull down to extend them to your desired height (9" to 13").
- Ensure that both legs are adjusted equally for stability.

### 3. Using the Bipod:

- Position the bipod on a stable surface.
- Ensure the legs are fully extended and locked in place before shooting.
- If shooting on uneven terrain, gently swivel the bipod to level your firearm.

### 4. PostUse Care:

- After use, retract the legs and remove the bipod from the sling swivel stud.
- Clean any dirt or debris from the bipod using a soft cloth.
- Store the bipod in a protective case to prevent damage.

## **Disposal Instructions**

- Dispose of the bipod in accordance with local regulations.
- Do not dispose of the bipod in regular household waste.
- Consider recycling materials where possible, especially metal and plastic components.

## **Contact Information for Further Support**

For any questions or concerns regarding the SL2 BIPOD HARRIS, please refer to the manufacturer's website or customer service for assistance. Remember to keep this safety instruction guide for future reference.

Thank you for prioritizing safety while using the SL2 BIPOD HARRIS. Enjoy your shooting experience!
