Safety Instruction Guide for MOUNT FOR GLOCK® MOS PISTOLS W/ ACRO & MPS OPTICS

Introduction

Thank you for choosing the Apex Optic Mount for your GLOCK® MOS pistols. This guide provides essential safety information and instructions to ensure the safe and effective use of the product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is compatible with your specific GLOCK® model before installation.
- Always handle the optic mount and tools with care to avoid injury.
- Keep the product and all related components out of reach of children and vulnerable individuals.
- Regularly inspect the mount and screws for signs of wear or damage.
- In case of any malfunction or if the product is damaged, stop using it immediately and seek assistance.

Specific Safety Precautions for Use

- Only use the Apex Optic Mount with Aimpoint® Acro™ P1 & P2 or Steiner MPS optics.
- Ensure that the slide is clean and free of debris before installation.
- Do not exceed the recommended torque of 15 inlb when securing the screws.
- Avoid using the mount in extreme environmental conditions that may compromise its integrity.
- If you notice any unusual movement or instability while using the mount, discontinue use and inspect the installation.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a torque wrench.
- Ensure the work area is clean and welllit.

2. Installation Steps

- Remove the slide from your GLOCK® MOS pistol according to the manufacturer's instructions.
- Clean the slide surface where the mount will be installed.
- Align the Apex Optic Mount with the GLOCK® MOS cut on the slide.
- Insert the mounting screws into the designated holes.
- Use a torque wrench to tighten the screws to a torque of 15 inlb.
- Doublecheck the alignment and stability of the mount before reassembling the pistol.

3. Usage Guidelines

- Once installed, securely attach your Aimpoint® Acro™ P1 & P2 or Steiner MPS optic to the mount.
- Regularly check the tightness of the screws and the stability of the optic during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, follow local guidelines for electronic waste and metal recycling.

Contact Information for Further Support

For any questions or concerns regarding the Apex Optic Mount, please refer to the manufacturer's contact details provided on the packaging or the official website.

Thank you for prioritizing safety and compliance while using the Apex Optic Mount. Your adherence to these guidelines ensures a safe and enjoyable experience.
