

AR ESK SELECTOR AMBIDEXTROUS - MAGPUL ESL SAFETY SELECTOR AMBIDEXTROUS FOR AR-15 FDE

[Rifle Parts](#) > [Safety Parts](#) > [Safeties](#)

The Magpul ESK (Enhanced Selector Kit) - AR is a modular, ambidextrous selector kit designed for AR pattern firearms that provides user-configurable selectors with modern ergonomics at an accessible price. The ESK - AR includes three levers: full, short, and hybrid, a selector pin, and a reversible, corrosion-resistant steel selector axle with 60 and 90-degree options. The selector pin comes in either black or red and secures the lever to the axle while acting as a selector position indicator. Installing the levers is easy and can be done without any tools. When it's time to remove a lever, all that's required is a punch. With smart design and ergonomic angles in the right spots, this kit allows multiple selector variations and easier firing hand selector manipulation to allow a modern manual of arms to be employed. Designed for Mil-Spec AR-pattern lower receivers. Not compatible with select fire receivers Made in the USA Three user configurable levers for ambidextrous use Reversible axle allows 60 or 90-degree selector throw Constructed of high strength Polymer and Corrosion Resistant Steel Easy drop-in installation

Safety Instruction Guide for Magpul ESK Selector Ambidextrous

Introduction

Thank you for choosing the Magpul ESK Selector Ambidextrous for your AR15. This product is designed to enhance the functionality and ergonomics of your firearm. It is essential to follow the safety guidelines and instructions provided in this manual to ensure safe and effective use.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure the firearm is pointed in a safe direction at all times.
- Be aware of your target and what is beyond it.
- Store your firearm and accessories in a secure location, out of reach of unauthorized users, especially children.
- Regularly inspect your firearm and accessories for signs of wear or damage.
- Use only compatible parts and accessories with your firearm.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Ensure the selector is in the correct position before firing.
- Do not attempt to modify the selector kit beyond the intended design.
- Avoid using the selector in wet or excessively dirty conditions that could impede its function.
- If the selector becomes stuck or does not operate smoothly, do not force it. Consult a qualified gunsmith.
- Always wear appropriate eye and ear protection when handling firearms.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the firearm is unloaded and in a safe condition.
2. **Remove the Old Selector:** Use a punch to remove the existing selector pin.
3. **Install the New Selector:**
 - Choose the desired lever (full, short, or hybrid) based on your preference.
 - Slide the lever onto the selector axle.
 - Insert the selector pin through the lever and axle, ensuring it is secure.
4. **Check Functionality:** After installation, check that the selector moves freely between positions (safe and fire).

Usage

- Familiarize yourself with the selector positions before using the firearm.
- Practice switching between selector positions without looking to improve muscle memory.
- Regularly check the selector for smooth operation, especially after extended use.

Disposal Instructions

- Dispose of any defective or damaged components in accordance with local regulations.
- Do not throw away in regular household waste. Contact local waste management for proper disposal methods of firearm accessories.

Contact Information for Further Support

For any questions or concerns regarding the Magpul ESK Selector Ambidextrous, please refer to the official Magpul website or contact your local dealer for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Magpul ESK Selector Ambidextrous. Stay safe and responsible while enjoying your firearm.
