

WCK WIRE CONTROL KIT M-LOK - MAGPUL WCK WIRE CONTROL KIT M-LOK FDE

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Flashlight Accessories](#)

The Magpul WCK (Wire Control Kit) provides a fast, secure, and clean way to manage light and laser wires to create a more streamlined forend on your rifle. The WCK ships with six easy-to-install M-LOK-compatible assemblies. Each assembly is a half-slot size to allow for precise positioning and can route cables straight through, at 90 degrees, or at 180 degrees to accommodate different variations. This kit can be reconfigured as your setup changes, removing the need to reapply tape or zip ties. The WCK is compatible with metal M-LOK handguards and may not fit all polymer handguards. The WCK can route standard gauge cables. Made in the USA Designed and intended for light/laser cable management Half-slot size allows for precise positioning Can be reconfigured multiple times Six (6) assemblies per package

WCK Wire Control Kit Safety Instructions

Introduction

Thank you for choosing the Magpul WCK (Wire Control Kit). This guide provides essential safety instructions to ensure the safe use of the product. The WCK is designed to help you manage light and laser wires effectively, creating a streamlined forend on your rifle. Please read this guide carefully before using the product.

General Safety Guidelines

- **Product Safety:** The WCK Wire Control Kit is designed for safe use in managing light and laser cables. Ensure that you follow all instructions to mitigate risks.
- **Enhanced Recalls:** In the unlikely event of a product recall, you will be notified through standardized recall notices. Always check for updates.
- **Online Shopping:** If you purchased this product online, be assured that it meets the same safety requirements as those sold in physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, you can contact the designated EU-based support channels.
- **Rapid Alerts:** Stay informed about product safety through the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the WCK is compatible with your metal MLOK handguard. It may not fit all polymer handguards.
- **Cable Management:** Use the WCK only for standard gauge cables. Avoid using it with cables that exceed the recommended specifications.
- **Installation:** Follow the installation instructions carefully to avoid any hazards related to improper setup.
- **Reconfiguration:** The WCK can be reconfigured multiple times. Ensure that all adjustments are secure before use.
- **Inspection:** Regularly inspect the WCK for any signs of wear or damage. If you notice any issues, discontinue use immediately.

Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the WCK and its components from the packaging. Ensure you have all six assemblies.
2. **Positioning:**
 - Determine the desired location on your MLOK handguard for the assemblies.
 - Each assembly can be positioned in a half-slot size for precise placement.
3. **Installation:**
 - Align the assembly with the MLOK slot.
 - Insert the assembly and secure it using the provided hardware, if applicable.
 - Ensure that the assembly is firmly attached and does not move.
4. **Cable Routing:**
 - Route your light and laser cables through the assemblies.
 - You can route cables straight through, at 90 degrees, or at 180 degrees as needed.
5. **Reconfiguration:**
 - If you need to adjust the cable management, remove the assembly and reposition it as desired.
 - Ensure that all connections are secure after reconfiguration.

Disposal Instructions

- **Environmental Considerations:** Dispose of the WCK and its components in accordance with local regulations. Do not dispose of it in household waste.
- **Recycling:** If possible, recycle the product or its components to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the WCK Wire Control Kit, please refer to the designated support channels provided by the manufacturer. Always keep this manual for future reference.

Thank you for choosing the Magpul WCK Wire Control Kit. Your safety and satisfaction are our top priorities.
