ARMORER'S MASTER HAMMER™ The Armorer's Master Hammer is a premium tool designed to meet the diverse needs of gunsmiths, armorers, and firearm enthusiasts. This hammer combines versatility and precision, making it ideal for various firearm maintenance and assembly tasks. Key Features:

**Interchangeable Heads:** Includes multiple striking surfaces such as brass, steel, nylon, and rubber. Each head is purpose-built to accommodate specific tasks, from delicate adjustments to more robust force applications.

**Ergonomic Handle Design:** The handle is crafted for maximum comfort, providing a secure grip that enhances control and reduces user fatigue, even during extended use.

**Compact and Well-Balanced:** Lightweight yet durable, this hammer ensures precise strikes and is easy to handle, making it perfect for detail-oriented tasks.

**Applications:** The Armorer's Master Hammer is perfect for driving pins, adjusting parts, and completing firearm builds without damaging sensitive components. Its range of heads allows for flexibility across a variety of gunsmithing scenarios.

**Customer Feedback:** Reviews praise the hammer's thoughtful design and superior craftsmanship. Users particularly appreciate the convenience of the interchangeable heads, which allow for seamless transitions between tasks without compromising on precision.

**Summary:** The Armorer's Master Hammer is an essential tool for professionals and enthusiasts who value precision and versatility. Whether you're working on complex assemblies or routine maintenance, this hammer delivers reliable performance and exceptional value for any gunsmithing project.

# ARMORER'S MASTER HAMMER Safety Instruction Guide

## Introduction

Thank you for choosing the Armorer's Master Hammer by REAL AVID. This premium tool is designed for gunsmiths, armorers, and firearm enthusiasts. To ensure safe and effective use of your hammer, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the Armorer's Master Hammer as intended.
- Keep the hammer out of reach of children and vulnerable individuals.
- Inspect the hammer and its interchangeable heads before each use for any signs of damage or wear.
- Do not use the hammer if any part is damaged or broken.
- Ensure your work area is clean and free from distractions while using the hammer.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, to protect against flying debris.
- Follow all local laws and regulations regarding firearms and tools.

## Specific Safety Precautions for Use

- **Interchangeable Heads:**
  - Ensure that the head is securely attached before use.
  - Use the appropriate head for the task to avoid damage to the firearm or injury.
- **Ergonomic Handle:**
  - Maintain a firm grip on the handle to prevent slips and loss of control.
  - Avoid using excessive force; let the hammer do the work.
- **Striking Surfaces:**
  - Use the brass head for delicate adjustments to avoid marring surfaces.
  - Use the steel head for more robust tasks, ensuring that the firearm can withstand the force.
- **General Handling:**
  - Store the hammer in a safe place when not in use.
  - Do not leave the hammer unattended in a workspace.

## Instructions for Installation and Usage

### 1. Selecting the Head:

- Choose the appropriate interchangeable head for your task.
- Align the head with the hammer body and push until it clicks into place.

### 2. Using the Hammer:

- Position the hammer at the desired angle for striking.
- Strike with a controlled motion, ensuring that your other hand is clear of the striking area.
- After use, remove the head by pressing the release button and pulling it away from the hammer body.

### 3. Maintenance:

- Clean the hammer and heads after use to remove debris and moisture.
- Store the hammer in a dry location to prevent rust and deterioration.

## **Disposal Instructions**

- Dispose of the Armorer's Master Hammer and its parts in accordance with local regulations for tool disposal.
- If the hammer is damaged beyond repair, consider recycling the materials where possible.

## **Contact Information for Further Support**

For any safety inquiries or support related to the Armorer's Master Hammer, please refer to the contact information provided with your product packaging or visit the manufacturer's website for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your Armorer's Master Hammer. Thank you for your attention to these important guidelines.
