# SMARTASSIST ACCESSORY SYSTEM Safety Instruction Guide

## Introduction

Thank you for choosing the SMARTASSIST ACCESSORY SYSTEM by REAL AVID. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your product. Please read this guide carefully before installation and usage to maximize your experience and safety.

## General Safety Guidelines

- Always follow the instructions provided in this manual.
- Ensure the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- If you notice any defects or issues, discontinue use immediately and seek assistance.
- Report any unsafe products or accidents to the relevant authorities.
- Stay updated on safety recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Mounting Safety:** Ensure the SMARTASSIST ACCESSORY SYSTEM is securely attached to the Master Gun Vise, Master Gun Workstation, or benchtop before use.
- **OneHanded Operation:** Use the quickconnect locking system with one hand only, while ensuring the other hand is clear of the mechanism to avoid pinching or injury.
- **Weight Capacity:** Do not exceed the recommended weight limits for accessories mounted using this system.
- **Electrical Safety:** If using electrical accessories, ensure that all connections are secure and that the equipment is suitable for your workspace.
- **Environmental Conditions:** Use the product in a dry, stable environment to prevent slips or falls.
- **Tool Safety:** Always use appropriate personal protective equipment (PPE) when working on DIY projects, including safety glasses and gloves.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation:

- Clear the workspace of any obstructions.
- Ensure the surface where the system will be mounted is clean and dry.

#### 2. Attachment:

- Align the SMARTASSIST ACCESSORY SYSTEM with the mounting surface of your Master Gun Vise, Master Gun Workstation, or benchtop.
- Firmly press the locking mechanism to secure the system in place.
- Doublecheck that the system is stable and securely attached before proceeding.

### Usage

#### 1. Accessory Mounting:

- Attach your desired accessories to the SMARTASSIST ACCESSORY SYSTEM using the quickconnect locking system.
- Ensure that accessories are properly locked in place before use.

## **2. Adjustments:**

- Use one hand to adjust the angle or position of your accessories while keeping the other hand clear of moving parts.
- Make sure adjustments do not compromise the stability of the mounted accessories.

## **3. Completion:**

- After completing your project, carefully detach any accessories and store them properly.
- Remove the SMARTASSIST ACCESSORY SYSTEM from the mounting surface if not in use for an extended period.

## **Disposal Instructions**

- Dispose of the SMARTASSIST ACCESSORY SYSTEM according to your local regulations for electronic waste and materials.
- Do not dispose of the product in regular household waste.
- Check for recycling programs in your area that accept tools and accessories.

## **Contact Information for Further Support**

For any questions, concerns, or support, please refer to the contact information provided with your product or visit the manufacturer's website. It is important to have access to assistance for safe and effective use of your SMARTASSIST ACCESSORY SYSTEM.

Thank you for prioritizing safety and for your commitment to using the SMARTASSIST ACCESSORY SYSTEM responsibly. Enjoy your enhanced working experience!
