

# SMART-JAWS - REAL AVID SMART-JAWS MULTI-FIT SLEEVES

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Vises & Accessories](#) > [Vise Accessories](#)

When it comes to working on firearms, there is no one-surface area or jaw angle that fits every need. From long guns and pistols, to barrels and guide rods, The Smart-Jaws Multi-Fit Sleeves have you covered. These non-marring, thermoplastic rubber-covered jaws accommodate all sizes and shapes of guns and parts to hold them securely without damaging your investment. The flat, but slightly textured area is designed to secure your shotgun, pistol or bolt gun. When working on bolts, barrels or choke tubes, simply reverse the jaws and find the groove that best fits your project needs. Securing cylindrical objects can be difficult and frustrating without the right tool for the job. Smart-Jaws Tube-Fit Sleeves are engineered to provide a secure grip on suppressors, PVC and cast-iron pipe, and all types of tubing, and are two-sided to best fit the application. For delicate items such as suppressors, the non-marring, soft jaws apply ample gripping and torquing power to loosen the tightest fits without damaging your investment. For tough jobs when marring is not an issue, such as with cast-iron pipe or steel tubing, simply reverse the jaws to the steel side for the ultimate vise-like grip.

## Attributes

- Name: [REAL AVID SMART-JAWS MULTI-FIT SLEEVES](#)
- Manufacturer: [REAL AVID](#)
- Product no.: 430104393
- Mfr. No.: AVSFJMF

# Safety Instruction Guide for SMARTJAWS REAL AVID SMARTJAWS MULTIFIT SLEEVES

## Introduction

Thank you for choosing the SMARTJAWS REAL AVID SMARTJAWS MULTIFIT SLEEVES. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and understand all sections before using the product.

## General Safety Guidelines

- Ensure that the SMARTJAWS MultiFit Sleeves are used only for their intended purpose as described in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the sleeves before each use for any signs of wear or damage. Do not use if damaged.
- Always wear appropriate personal protective equipment (PPE) when working with firearms, including safety glasses and gloves.
- Follow all local laws and regulations regarding firearms and firearm accessories.

## Specific Safety Precautions for Use

- Avoid using the SMARTJAWS MultiFit Sleeves on hot or heated surfaces to prevent burns or damage to the product.
- Do not exceed the recommended torque settings when using the sleeves to avoid damaging your firearms or the sleeves themselves.
- When securing cylindrical objects, ensure that the sleeves are properly aligned to prevent slippage.
- Always use the appropriate side of the jaws for the task at hand: the softer side for delicate items and the steel side for tougher jobs.
- Do not use the product as a hammer or for any purpose other than its intended use.

## Instructions for Installation and Usage

### 1. Selecting the Correct Sleeve:

- Choose the appropriate SMARTJAWS MultiFit Sleeve based on the size and shape of your firearm or part.

### 2. Attaching the Sleeve:

- Align the sleeve with the object you intend to secure.
- Ensure that the sleeve is fully seated and stable before applying pressure.

### 3. Securing the Object:

- Gently tighten the sleeve around the object, ensuring a firm yet nondamaging grip.
- For cylindrical objects, reverse the jaws to find the best fit for your specific application.

### 4. Using the Product:

- When working on firearms, ensure they are unloaded and safe before use.
- Apply torque gradually and avoid sudden movements to maintain control.

### 5. Removing the Sleeve:

- Loosen the grip slowly and carefully remove the sleeve from the object.
- Inspect the sleeve for any signs of wear or damage after use.

## **Disposal Instructions**

- Dispose of the SMARTJAWS MultiFit Sleeves in accordance with local regulations.
- If the product is damaged beyond repair, consider recycling the materials where possible.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the SMARTJAWS MultiFit Sleeves, please reach out to the manufacturer or your point of purchase.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your SMARTJAWS REAL AVID SMARTJAWS MULTIFIT SLEEVES. Always prioritize safety and compliance with local laws when using this product. Thank you for your attention, and enjoy your work with firearms responsibly.
