# MAGNETIC BORE LIGHT SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the MAGNETIC BORE LIGHT by REAL AVID. This product is designed to enhance your firearm maintenance by providing bright illumination inside the bore, chamber, or action of your gun. To ensure your safety and the safe use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the MAGNETIC BORE LIGHT is used only for its intended purpose.
- Always treat firearms with respect and follow all firearm safety rules.
- Keep the MAGNETIC BORE LIGHT out of reach of children and vulnerable individuals.
- Regularly check the product for any signs of damage or wear.
- Do not use the product if it is damaged or malfunctioning.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before using the MAGNETIC BORE LIGHT.
- Do not point the firearm at yourself or others while using the light.
- Avoid using the MAGNETIC BORE LIGHT in wet or damp conditions to prevent electrical hazards.
- Do not attempt to modify or disassemble the MAGNETIC BORE LIGHT.
- Be cautious of the high brightness of the LED light; do not look directly into the light source.

## Instructions for Installation and Usage

### 1. Installation

- Insert the included AAA battery into the MAGNETIC BORE LIGHT, ensuring correct polarity.
- Ensure the battery compartment is securely closed.

### 2. Usage

- Attach the MAGNETIC BORE LIGHT to the barrel or action of your firearm. The magnetic base will hold it securely in place.
- Turn on the light by pressing the power button. The bright white LED will illuminate the bore, chamber, or action.
- Adjust the 5" flex neck to position the light in hard-to-reach areas as needed.
- After use, turn off the light to conserve battery life.

## Disposal Instructions

- Dispose of the MAGNETIC BORE LIGHT according to local regulations for electronic waste.
- Remove the battery before disposal and recycle it according to local battery disposal guidelines.

## Contact Information for Further Support

For any safety inquiries or product support, please consult the product packaging or manufacturer's website for the appropriate contact details.

Thank you for prioritizing safety while using the MAGNETIC BORE LIGHT. Enjoy your enhanced firearm maintenance experience!
