Safety Instruction Guide for GUN TOOL AMP 1911

REAL AVID GUN TOOL AMP 1911

Introduction

Thank you for choosing the GUN TOOL AMP 1911. This multifunctional tool is designed specifically for the 1911 platform and provides essential tools for gun maintenance and care. This safety instruction guide will help you understand how to use the product safely and effectively, ensuring a positive experience while adhering to the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the instructions before using the tool.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool before each use to ensure it is in good working condition.
- Do not use the tool for purposes other than those specified.
- Report any unsafe conditions or incidents to the relevant authorities.
- Regularly check for updates on product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the tool is used in a welllit and clean environment to avoid accidents.
- Always use the appropriate bit for the task to prevent damage to the tool or the firearm.
- Avoid using excessive force when operating the tool to prevent injury or tool damage.
- When using the knife blade, cut away from your body and keep fingers clear of the cutting path.
- Store the tool in a secure location when not in use to prevent accidents.
- Be cautious of sharp edges on the tool and its components.

Instructions for Installation and Usage

1. Unpacking the Tool

- Carefully remove the GUN TOOL AMP 1911 from its packaging.
- Inspect all components to ensure nothing is damaged or missing.

2. Using the MultiTool

- To deploy the tool, unfold the locking driver from the holster.
- Select the appropriate bit from the integrated storage and attach it to the driver.
- Use the tool as needed for maintenance tasks, such as:
 - Bushing wrench for government and officer profiles.
 - Pin punch for removing pins.
 - Flat carbon scraper for cleaning surfaces.
 - Metal file for smoothing edges.
 - Use the pick for precision tasks.
 - Utilize the nut wrenches for various sizes (4mm, 5mm, 1/4", 5/16").
 - The drop point knife blade can be used for cutting tasks.
 - The tap hammer is useful for driving pins or other components.

3. PostUse Care

- After use, clean the tool to remove any debris or residue.
- Store the tool in its holster to ensure that all bits and tools are kept together and secure.

Disposal Instructions

- Dispose of the tool in accordance with local regulations regarding metal and electronic waste.
- Do not dispose of the tool in regular household waste.
- If the tool is damaged beyond repair, contact local waste management for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, usage, or support, please reach out to the manufacturer or your point of purchase. Ensure that you have the product details available for reference.

Thank you for taking the time to read this safety instruction guide. Your safety and satisfaction are our top priorities. Enjoy using your GUN TOOL AMP 1911 responsibly!
