GUN BOSS AK47 CLEANING KIT Consumer Safety Instruction Guide

Introduction

Thank you for choosing the GUN BOSS AK47 CLEANING KIT by REAL AVID. This comprehensive cleaning kit is designed specifically for the AK47, ensuring that your firearm remains in optimal condition. To ensure your safety and the effective use of this product, please carefully read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle firearms safely and responsibly, following local laws and regulations.
- Ensure that the cleaning kit is stored out of reach of children and unauthorized users.
- Inspect all components of the cleaning kit before use for any signs of damage or wear.
- Use the cleaning kit only for its intended purpose – cleaning the AK47 firearm.
- Always clean your firearm in a wellventilated area.
- Do not use the cleaning kit if you are under the influence of drugs or alcohol.

Specific Safety Precautions for Use

- **Hazard Identification:** The cleaning kit contains sharp tools (scrapers and brushes) that may cause injury if used improperly. Chemical solvents used in conjunction with the cleaning kit may be harmful if inhaled or ingested.
- **Avoiding Hazards:**
 - Always wear protective gloves and eyewear when using cleaning solvents.
 - Keep cleaning solvents away from open flames and heat sources.
 - Ensure that the firearm is unloaded before starting the cleaning process.
 - Do not point the firearm at yourself or others while cleaning.
 - Follow the instructions for each tool carefully to avoid injury.
- **AgeSpecific Warnings:**
 - This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded and the safety is engaged.
- Gather all necessary components from the cleaning kit, including the scraper, chamber brush, and gas port scraper/pin punch.

2. Cleaning Process:

- Start by using the proprietary carbonscraping tool on the AK pistons and bolts to remove carbon buildup.
- Use the doublethreaded chamber brush to clean the chamber from both directions, ensuring thorough cleaning.
- Use the gas port scraper/pin punch to clean the gas ports.
- After cleaning, inspect the firearm to ensure no cleaning residue remains.

3. PostCleaning:

- Wipe down all tools with a clean cloth to remove any excess cleaning solution.
- Store all components in the rubberized tray and place them in the weatherproof case for protection.

Disposal Instructions

- Dispose of any used cleaning solvents and materials in accordance with local regulations.
- Do not dispose of cleaning solvents in regular household waste.
- Ensure that all components of the cleaning kit are stored properly and are not discarded carelessly.

Contact Information for Further Support

For any inquiries regarding the safety and use of the GUN BOSS AK47 CLEANING KIT, please refer to the contact information provided on the packaging or the manufacturer's website.

Thank you for your attention to these safety guidelines. Enjoy safe and effective cleaning of your AK47 with the GUN BOSS AK47 CLEANING KIT!
