# Safety Instruction Guide for AR15 Bravo Trigger Guards

## Introduction

Thank you for choosing the B5 Systems AR15 Bravo Trigger Guard. This product is designed to enhance your AR15 rifle with improved functionality and comfort. It is important to follow the safety guidelines outlined in this document to ensure safe usage and optimal performance. This guide complies with the EU General Product Safety Regulation (GPSR) to provide you with essential safety information.

## General Safety Guidelines

- Ensure that the trigger guard is compatible with your AR15 model before installation.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the trigger guard and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the trigger guard for any signs of wear or damage.
- Do not use the trigger guard if it appears to be damaged or compromised in any way.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Use the trigger guard only for its intended purpose, which is to enhance the functionality of the AR15 rifle.
- When using gloves, ensure they are compatible with the trigger guard to maintain control and safety.
- Avoid using excessive force when installing or adjusting the trigger guard.
- Be aware of your surroundings and ensure that the firearm is pointed in a safe direction at all times.
- Always keep your finger off the trigger until you are ready to shoot.

## Instructions for Installation and Usage

### Installation Instructions

1. **Prepare Your Workspace:** Ensure your workspace is clean and free of distractions. Have all necessary tools ready.
2. **Safety First:** Before starting the installation, make sure the firearm is unloaded and the safety is engaged.
3. **Remove the Old Trigger Guard:** If applicable, carefully remove the existing trigger guard from your AR15 using the appropriate tools.
4. **Align the New Trigger Guard:** Position the B5 Systems Bravo Trigger Guard in place, ensuring it is aligned with the mounting holes.
5. **Secure the Trigger Guard:** Using the provided screws or pins, securely attach the trigger guard to the AR15. Ensure it is tight but do not overtighten, which may cause damage.
6. **Test the Functionality:** After installation, check the swingdown function to ensure it operates smoothly with gloves.
7. **Final Inspection:** Perform a final inspection of the installation to ensure everything is secure and properly aligned.

### Usage Instructions

- To use the trigger guard effectively, simply engage the swingdown function when wearing gloves for easy access.
- Regularly check the trigger guard for any signs of looseness or wear.
- If you encounter any issues during use, cease operation immediately and consult with a qualified

gunsmith.

## **Disposal Instructions**

- Dispose of the trigger guard in accordance with local regulations.
- If the product is damaged or no longer needed, consider recycling the materials if possible.
- Do not dispose of the trigger guard in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the B5 Systems AR15 Bravo Trigger Guard, please refer to the manufacturer's website or contact the designated EUbased support center. Ensure you have your product details ready for efficient assistance.

By following these safety instructions, you can ensure a safe and effective experience with your B5 Systems AR15 Bravo Trigger Guard. Thank you for your attention to safety and responsible firearm use.
