AR15 Battery Grip Plugs Safety Instruction Guide

Introduction

Thank you for choosing the AR15 Battery Grip Plugs by B5 Systems. This product is designed to provide a secure and convenient storage solution for your Type 23 and 22 PGrips. To ensure your safety and the optimal performance of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is used only as intended.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Do not use the product if it appears damaged or malfunctioning.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- The Battery Grip Plug is designed to be water and dust resistant; however, it is not waterproof. Avoid submerging the product in water.
- Ensure a proper fit when installing the grip plug to prevent it from loosening during use.
- Use only the recommended battery types (AA, 123A, CR2032) and compatible tools (MultiTasker NANO Tool) to avoid damage.
- Do not force the grip plug into the grip if it does not fit easily. Doing so may cause damage to the product or the grip itself.
- Avoid exposing the grip plug to extreme temperatures or harsh chemicals, as this may affect its performance and longevity.

Instructions for Installation and Usage

1. Installation:

- Ensure that the AR15 grip is clean and free of debris.
- Align the Battery Grip Plug with the grip opening.
- Press the grip plug firmly into place until it fits snugly. You should feel a friction fit.
- Check that the grip plug is secure and does not move when pulled.

2. Usage:

- Store batteries securely within the grip plug for easy access.
- Regularly check the battery levels and replace them as needed.
- Remove the grip plug for battery replacement by pulling it straight out. Do not twist or force it.

Disposal Instructions

- Dispose of the Battery Grip Plug in accordance with local regulations.
- Do not dispose of batteries in regular household waste. Follow local guidelines for battery disposal.
- If the product is damaged beyond repair, ensure that it is disposed of in a manner that prevents harm to the environment.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Enjoy your AR15 Battery Grip Plugs!
