# AR15 Battery Grip Plugs Safety Instruction Guide

## Introduction

Thank you for choosing the AR15 Battery Grip Plugs by B5 SYSTEMS. This product is designed to enhance your AR15 experience by providing a water and dust resistant storage solution for your Type 23 and 22 PGrips. This guide provides essential safety instructions, usage guidelines, and disposal information to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Keep the product out of reach of children and vulnerable individuals to prevent misuse or accidental injury.
- Regularly inspect the product for any signs of wear or damage. Do not use if damaged.
- Follow all installation and usage instructions carefully to avoid hazards.
- In case of any malfunction or safety concern, cease use immediately and report the issue to the relevant authorities.

## Specific Safety Precautions for Use

- The Battery Grip Plug is designed for use with AA, 123A, CR2032 batteries, and the MultiTasker NANO Tool only.
- Do not attempt to modify or alter the Battery Grip Plug in any way.
- Ensure that the plug is properly secured within the grip to prevent accidental dislodgement during use.
- Avoid exposing the Battery Grip Plug to extreme temperatures or harsh chemicals that may compromise its integrity.
- If you experience any allergic reactions to materials used in the product, discontinue use immediately and seek medical advice.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the AR15 is unloaded and safe before handling.
- Remove the existing grip plug from the AR15 grip if applicable.
- Align the Battery Grip Plug with the grip opening.
- Press firmly until the plug fits snugly into place. You should feel a friction fit indicating it is securely installed.

### 2. Usage:

- To access the storage compartment, gently pull the plug out of the grip.
- Insert your desired batteries or MultiTasker NANO Tool into the compartment.
- Ensure that the compartment is sealed properly after use to maintain water and dust resistance.

### 3. Removal:

- To remove the Battery Grip Plug, pull it out gently with a firm grip.
- Store the plug in a safe place if not in use.

## **Disposal Instructions**

- Dispose of the Battery Grip Plug responsibly in accordance with local regulations.
- Do not dispose of batteries in household waste. Follow local guidelines for battery disposal or recycling.
- If the product is damaged beyond repair, ensure it is disposed of in a way that prevents any potential hazards to the environment or health.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product issues, please contact your local retailer or the manufacturer directly. Make sure to have your product details available for reference.

By following these guidelines, you can ensure a safe and enjoyable experience with your AR15 Battery Grip Plugs. Thank you for your attention to safety!
