

# INLINE SCOUT MOUNT - ARISAKA DEFENSE INLINE SCOUT LIGHTS MOUNT FOR PICATINNY RAILS

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Flashlight Mounts](#)

## Upgrade the Mount on Your Scout Light

The Arisaka Inline Scout Mount makes replacing the clumsy Picatinny mount on your Surefire M300 or M600, Arisaka 300 and 600 series lights, and Streamlight Protac Rail Mount 1 and 2 lights a snap. The Inline Scout Mount uses the factory attachment points on the light body and keeps the light body only 0.2" above the mounting surface for the tightest possible fit. Arisaka also built a side to side adjustment of up to 0.12" from center to help you clear other accessories and get the light into the most optimal position possible. Color: Black Compatible with any light that has 'Scout' mounting points 7075 Aluminum construction Weight: 0.5 oz Arisaka's new version of the Inline Scout Mount for KeyMod is made from stronger 7075 aluminum and uses BCM's inverted KeyMod screws with twin recoil lugs giving you the most secure fit.

# INLINE SCOUT MOUNT SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the INLINE SCOUT MOUNT from Arisaka Defense. This guide provides essential safety instructions and usage information to ensure a safe and effective experience with your product. Please read this guide carefully before use.

## General Safety Guidelines

- Always ensure that the INLINE SCOUT MOUNT is compatible with your light before installation.
- Inspect the mount and your light for any damage before use. Do not use if any parts are damaged.
- Ensure the mount is securely attached to the Picatinny rail before operating the light.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use the INLINE SCOUT MOUNT with lights that have 'Scout' mounting points.
- Do not exceed the recommended weight limit of the mount (0.5 oz).
- Avoid using the mount in extreme conditions that may compromise its integrity, such as high heat or extreme moisture.
- Ensure that all adjustments are made carefully to avoid misalignment or damage to the light or mount.
- Regularly check the tightness of the mount to ensure it remains secure during use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your work area is clean and free of debris.
- Remove any existing mount from your light if applicable.
- Align the INLINE SCOUT MOUNT with the factory attachment points on your light body.
- Securely fasten the mount to the light using the provided screws.
- Attach the light with the mount to the Picatinny rail, ensuring it is firmly in place.

### 2. Adjustments:

- Use the sidetoside adjustment feature to position the light optimally.
- Adjust the mount up to 0.12 inches from the center as needed to clear other accessories.

### 3. Usage:

- Once installed, test the light to ensure it operates correctly.
- Make sure the light is functioning properly before each use.

## Disposal Instructions

- Dispose of the INLINE SCOUT MOUNT in accordance with local regulations.
- Do not dispose of the mount in household waste. Instead, take it to a designated recycling facility if available.

## **Contact Information for Further Support**

For any inquiries or support regarding your INLINE SCOUT MOUNT, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety instructions. Enjoy your INLINE SCOUT MOUNT responsibly!
