

OFFSET ADAPTER FOR SUREFIRE LIGHTS - ARISAKA DEFENSE

OFFSET M620 ADAPTER FOR M620, M951/952/962 SUREFIRE LIGHTS

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

Description The Arisaka Offset M620 Adapter is used to attach Surefire M620, M951/952/962 series lights to the Arisaka Offset Scout Mount and Side Scout Mount. The recessed design maintains a low profile. Lateral positions are still available while using the M620 Adapter, which allows you to shift the light closer or further away from the top Picatinny rail for clearance around front sights or other top rail mounted accessories when used with the Offset Scout Mount. Now compatible with Surefire M620 Scout lights and Surefire Millennium lights (M951, M952, M962, etc.) The M620 Adapter does not include an Offset Scout Mount or Side Scout Mount. A compatible mount must be purchased in addition to the M620 Adapter (Picatinny mounts not compatible). Compatible Mounts: Offset Scout Mount KeyMod Offset Scout Mount M-Lok Offset Scout Mount CMR Side Scout Mount KeyMod Side Scout Mount M-Lok Specs Length: 2.15" Weight: 0.4 oz The mount is CNC machined from 6061-T651 aluminum and MIL-A-8625 Type III hard coat anodized. Includes necessary screws to attach light body to adapter. Requires a 1/8" Allen wrench and IP20 TorxPlus driver for installation (not included). Hardware: Two 8-32x3/8" Torx flat head screws, two 10-32x1/4" hex button head screws Made in the USA.

Safety Instruction Guide for OFFSET ADAPTER FOR SUREFIRE LIGHTS ARISAKA DEFENSE OFFSET M620 ADAPTER

Introduction

Thank you for choosing the Arisaka Offset M620 Adapter. This guide provides important safety information, installation instructions, and maintenance tips to help you use this product safely and effectively. Please read this guide thoroughly before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this manual.
- Always inspect the adapter and mounts for any signs of damage or wear before each use.
- Keep the adapter and all accessories out of reach of children.
- Be aware of your surroundings when using the light mounted on the adapter to avoid accidents.
- If you experience any issues with the product, discontinue use immediately and consult a professional.

Specific Safety Precautions for Use

- Do not exceed the weight limit specified for the mounts to avoid failure.
- Ensure that the adapter is securely attached to the mount and that the light is properly fixed to the adapter.
- Avoid using the adapter in extreme environmental conditions, such as heavy rain or snow, that may affect its performance.
- Regularly check the tightness of screws and fittings to ensure they remain secure during use.
- Use only compatible mounts as specified in the product description to prevent accidents.

Instructions for Installation and Usage

Installation Instructions

1. Gather all necessary tools: a 1/8" Allen wrench and an IP20 TorxPlus driver (not included).
2. Place the adapter on the compatible mount (Offset Scout Mount, KeyMod Offset Scout Mount, MLok Offset Scout Mount, CMR Side Scout Mount, KeyMod Side Scout Mount, or MLok).
3. Use the included screws to attach the light body to the adapter:
 - Two 832x3/8" Torx flat head screws
 - Two 1032x1/4" hex button head screws
4. Ensure that all screws are tightened securely but do not overtighten to avoid damaging the components.
5. Adjust the position of the light as needed for optimal clearance around front sights or other accessories.

Usage Instructions

- Ensure the light is turned off before attaching or detaching it from the adapter.
- Use the light in accordance with the manufacturer's instructions for the Surefire lights.
- Regularly clean the adapter and mounts to prevent the buildup of dirt and debris that may affect performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste.
- Do not dispose of the product in regular household waste.

- If you are unsure about disposal methods, contact your local waste management authority for guidance.

Contact Information for Further Support

For any inquiries or support related to the Arisaka Offset M620 Adapter, please refer to the manufacturer's website or contact their customer service department directly.

Thank you for your attention to these safety instructions. Enjoy using your Arisaka Offset M620 Adapter safely and effectively.
