

SIDE SCOUT MOUNT FOR M-LOK HANDGUARD - ARISAKA DEFENSE

SIDE SCOUT LIGHT MOUNT FOR M-LOK HANDGUARD, FDE

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Flashlight Mounts](#)

The Arisaka Side Scout Mount (SSM) is designed for use with Surefire Scout Lights, the Modlite PLH and OKW weapon lights, the Arisaka 300, 600 and 18650 Series, the Streamlight Protac Rail Mount lights, and the Olight Odin. It replaces the stock Picatinny rail adapter with a low profile mount for M-Lok handguards, and tucks the light underneath either side of the ATPIAL laser/illuminator series, including the ATPIAL-C, AN/PEQ15, and LA-5/PEQ. It will also allow the light to clear the QD lever on the Steiner DBAL I2, A3, and D2. Compatible with the Modlite PLH, PLHv2 and OKW, Surefire M300A, M300B, M300C, M300V, M312, M322, M312V, M313V, M322V, M600B, M600C, M600P, M600U, M600V, M600DF, M612, M622, M603V, M612V, M622V, Streamlight Protac Rail Mount 1, 2 and HL-X (non-laser), Olight Odin, CD REIN, and Arisaka 300, 600 and 18650 Series. The longer base Scout lights like the M620, M951/2 and M961/2 can be used with the Side Scout Mount with the addition of our Offset M620 adapter. As a bonus, the Side Scout Mount also works nicely on the Sig MPX PCC and MCX Virtus M-Lok handguards. Part#: SSM-M Length: 1.265" Thickness: 0.2" Weight: 0.6 oz The mount is CNC machined from 6061-T651 aluminum and MIL-A-8625 Type III hard coat anodized. Includes necessary screws to attach light body to mount. Requires an IP20 TorxPlus driver for installation (not included). A T9 Torx driver is required to remove the stock Picatinny mount from Surefire Scout Lights. Recommended torque: 30 inch lbs for M-Lok screws and 20 inch lbs for light body screws with medium strength threadlocker. Hardware: Two M-Lok nuts, two 10-24x5/16" Torx button head screws, two 8-32x5/16" Torx flat head screws. Made in the USA.

Safety Instruction Guide for the Arisaka Side Scout Mount for MLOK Handguard

Introduction

Thank you for choosing the Arisaka Side Scout Mount (SSM) for your MLOK handguard. This guide provides essential safety instructions, installation guidelines, and contact information for further support. Please read this document carefully to ensure safe and effective use of your product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the Side Scout Mount by following all instructions provided in this guide.
- **Enhanced Recalls:** Stay informed about any product recalls through official channels and ensure you have access to remedies for any dangerous products.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements similar to those in physical stores.
- **Special Consumer Focus:** Extra caution is advised when using this product around vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point.
- **Rapid Alerts:** Stay updated on any unsafe products through the Safety Gate system.

Specific Safety Precautions for Use

- Always ensure the mount is securely attached to the handguard before use.
- Do not exceed the recommended torque specifications: 30 inch lbs for MLOK screws and 20 inch lbs for light body screws.
- Use medium strength threadlocker on screws to prevent loosening during use.
- Ensure that the light body does not obstruct the operation of any other mounted equipment.
- Regularly inspect the mount and its screws for wear or damage.
- If using with specific weapon lights, ensure compatibility as listed in the product specifications.
- Avoid using the mount in extreme weather conditions that may affect its performance.
- Keep the mount and any attached lights out of reach of children.

Instructions for Installation and Usage

1. Required Tools:

- IP20 TorxPlus driver (not included)
- T9 Torx driver (for removing the stock Picatinny mount from Surefire Scout Lights)

2. Installation Steps:

- Remove the stock Picatinny rail adapter from your weapon light using the T9 Torx driver.
- Align the Side Scout Mount with the MLOK slots on your handguard.
- Use the provided MLOK nuts and screws to secure the mount in place.
- Attach the weapon light to the Side Scout Mount using the necessary screws included.
- Ensure all screws are tightened to the recommended torque specifications.

3. Usage Guidelines:

- Once installed, ensure that the weapon light is functioning correctly before use.
- Familiarize yourself with the operation of the weapon light and any additional features.

- Regularly check the mount for stability and security during use.

Disposal Instructions

- Dispose of the Side Scout Mount in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the mount in household waste. Instead, take it to a designated recycling facility.

Contact Information for Further Support

For any questions or concerns regarding the use or safety of the Arisaka Side Scout Mount, please refer to the designated EU contact point for assistance.

Thank you for prioritizing safety and following these guidelines for a secure and effective experience with your Arisaka Side Scout Mount.
