

ELASTIC STRAP EXTENDER - SPIRITUS SYSTEMS ELASTIC STRAP EXTENDER BLACK

[Home](#)

Elastic Strap Extender The Elastic Strap Extender was built to provide extra flex in the spiritus systems back strap when the wearer needs a wider range of motion during high intensity activities or wants to layer up/down without having to adjust the length of the strap. To install the Elastic Strap Extender, simply remove one of the male Fastex buckles from the Back Strap and replace it with the Elastic Strap Extender. NOTE: This is part of the Spiritus Systems Chest Rig System. This item does not include the chassis, shoulder straps, magazine inserts, or any other accessories. Note: This product may be shown with optional accessories. Made in the USA

Elastic Strap Extender Safety Instruction Guide

Introduction

Thank you for choosing the Elastic Strap Extender by Spiritus Systems. This product is designed to enhance your range of motion during highintensity activities and provide flexibility in adjusting your back strap. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Regularly inspect the Elastic Strap Extender for any signs of wear or damage before use.
- Keep the product away from children and vulnerable individuals unless under adult supervision.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check the EU's Safety Gate platform for any recall updates regarding this product.

Specific Safety Precautions for Use

- Do not exceed the weight limit specified for the Elastic Strap Extender.
- Ensure that all buckles are securely fastened before engaging in any activities.
- Avoid using the product in extreme conditions or environments that may compromise its integrity.
- Be cautious of sharp objects or surfaces that may damage the strap.
- Do not modify the Elastic Strap Extender in any way, as this may compromise its safety and functionality.

Instructions for Installation and Usage

1. Installation of the Elastic Strap Extender

- Remove one of the male Fastex buckles from the Back Strap of your Spiritus Systems Chest Rig.
- Attach the Elastic Strap Extender in place of the removed buckle, ensuring it is securely fastened.

2. Usage Guidelines

- Adjust the length of the strap as needed to achieve your desired range of motion.
- Test the strap's flexibility and security before engaging in highintensity activities.
- Regularly check the strap during use to ensure it remains secure and functional.

Disposal Instructions

- Dispose of the Elastic Strap Extender responsibly and in accordance with local regulations.
- Do not dispose of the product in regular household waste if it is damaged or unusable.
- Consider recycling the product if possible, following local recycling guidelines.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the contact information provided by your retailer or the manufacturer. Ensure that you have the product details ready for a more efficient response.

Thank you for your attention to these safety guidelines. Enjoy your experience with the Elastic Strap Extender by Spiritus Systems.
