

34 ALPHA CHEST RIG - SPIRITUS SYSTEMS 34 ALPHA CHEST RIG MULTICAM

[Shooting Accessories](#) > [Tactical Gear](#) > [Chest Rigs](#)

34 Alpha Chest Rig The 34 Alpha Chest Rig is a split chassis that will interface directly with the existing Spiritus Systems straps and pouches. This is a true blank-slate platform that enables load-carriage configuration options for weapon ammo of nearly any caliber, and when combined with the Spiritus Systems current Pouch Suite, the end user's options are near-limitless. The system is constructed to be as low-profile as possible to add minimal bulk to the finished split rig, letting the end-user configure a chest rig that does exactly what they need it to do on any given mission without added bulk or unused space. The system can be paired with a set of Micro Fight Fat Straps and Back Strap to create a complete platform for a wide range of load bearing configurations. The panels are built with Squadron MOLLE front faces and elastic cells on the back for extra storage. The bottom of each 34 Alpha Panel also has a Velcro slot to mount hanger pouches. The chest rig panels are connected via two sliding Fastex buckles that provide a secure connection point, as well as quick, one-handed, opening and closing when engaging in activities that may require an open front configuration (i.e. going into the prone). They also allow for micro adjustments at the front without having to modify the width of the back strap. Each panel features six columns of MOLLE on the front and is compatible with all of Spiritus' GP Pouches, our SPUD Pouch, the Liberty Dynamic Flash Bang Pouch, the JSTA Pouch, and Nalgene Water Bottle Pouch. The top of the panel is built with integrated anchor point holes that give the wearer a secure solution for internal magazine retention when combined with our bungee retention kit, or to tie down secure items stored on the chest rig pouches. The internal elastic cells in the back are sewn in at three different widths to accommodate a wide range of items ranging from pistol magazines and multi-tools, all the way to 7.62 rifle mags and more. When assembled, the 34 Alpha Split Rig gives end-users access to a load bearing solution that will support a wide range of weapon platforms, mission profiles, and loadouts. NOTE: This is part of the Spiritus Systems Chest Rig System. This item does not include the chassis, shoulder straps, magazine inserts, or any other accessories. Note: This product may be shown with optional accessories. Made in the USA

34 Alpha Chest Rig Safety Instructions

Introduction

Thank you for choosing the 34 Alpha Chest Rig by Spiritus Systems. This safety instruction guide is designed to provide you with essential information to ensure the safe use of this product. Please read this guide carefully before using the chest rig.

General Safety Guidelines

- **Product Safety:** The 34 Alpha Chest Rig is designed to meet safety standards for nonfood products. Always ensure that you are using the product as intended.
- **Enhanced Recalls:** In the event of a product recall, Spiritus Systems will provide standardized notices and free remedies for any dangerous products.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Vulnerable Groups:** Extra care should be taken when the product is used by children or individuals who may require special assistance.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU-based contact for this product.
- **Rapid Alerts:** Stay informed about any updates on unsafe products through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Check for Damage:** Before each use, inspect the chest rig for any signs of wear or damage. Do not use if damaged.
- **Proper Fit:** Ensure that the chest rig is properly adjusted to fit your body. An improper fit may lead to discomfort or injury.
- **Load Limits:** Be aware of the load capacity of the chest rig. Do not exceed the recommended weight limits to avoid failure of the rig.
- **Avoid Sharp Objects:** When loading pouches, ensure that sharp objects are secured to prevent injury.
- **Use in Safe Environments:** Avoid using the chest rig in situations where it may get caught in machinery or other hazards.
- **Training:** Familiarize yourself with the rig and practice using it in a safe environment before engaging in critical activities.

Instructions for Installation and Usage

1. Assembly:

- Lay the chest rig flat on a clean surface.
- Connect the two panels using the sliding Fastex buckles until you hear a click.
- Adjust the shoulder straps and back strap to ensure a snug fit.

2. Loading Pouches:

- Attach pouches to the MOLLE webbing on the front of the panels.
- Ensure that each pouch is securely fastened and does not obstruct movement.

3. Adjusting Fit:

- To adjust the fit, pull the straps to tighten or loosen as necessary.
- Ensure that the rig is comfortable and does not impede your movement.

4. **Using the Rig:**

- When wearing the rig, ensure that all components are secure.
- If engaging in activities that may require quick access to equipment, practice opening and closing the rig with one hand.

5. **After Use:**

- Remove any items from the pouches and inspect the rig for any damage.
- Store the chest rig in a dry, cool place away from direct sunlight.

Disposal Instructions

- **Environmental Considerations:** Dispose of the chest rig in accordance with local regulations. Do not dispose of in regular household waste if it contains hazardous materials.
- **Recycling:** If possible, recycle any components made from plastic or fabric.

Contact Information for Further Support

For any questions or concerns regarding the 34 Alpha Chest Rig, please refer to the designated contact information provided with your purchase. It is important to seek assistance if you have any doubts about the safe use of this product.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your 34 Alpha Chest Rig responsibly and safely!
