

# 34 ALPHA CHEST RIG - SPIRITUS SYSTEMS 34 ALPHA CHEST RIG MULTICAM BLACK

[Shooting Accessories](#) > [Tactical Gear](#) > [Chest Rigs](#)

34 Alpha Chest Rig The 34 Alpha Chest Rig is a split chassis that will interface directly with the existing Spiritus Systems straps and pouches. This is a true blank-slate platform that enables load-carriage configuration options for weapon ammo of nearly any caliber, and when combined with the Spiritus Systems current Pouch Suite, the end user's options are near-limitless. The system is constructed to be as low-profile as possible to add minimal bulk to the finished split rig, letting the end-user configure a chest rig that does exactly what they need it to do on any given mission without added bulk or unused space. The system can be paired with a set of Micro Fight Fat Straps and Back Strap to create a complete platform for a wide range of load bearing configurations. The panels are built with Squadron MOLLE front faces and elastic cells on the back for extra storage. The bottom of each 34 Alpha Panel also has a Velcro slot to mount hanger pouches. The chest rig panels are connected via two sliding Fastex buckles that provide a secure connection point, as well as quick, one-handed, opening and closing when engaging in activities that may require an open front configuration (i.e. going into the prone). They also allow for micro adjustments at the front without having to modify the width of the back strap. Each panel features six columns of MOLLE on the front and is compatible with all of Spiritus' GP Pouches, our SPUD Pouch, the Liberty Dynamic Flash Bang Pouch, the JSTA Pouch, and Nalgene Water Bottle Pouch. The top of the panel is built with integrated anchor point holes that give the wearer a secure solution for internal magazine retention when combined with our bungee retention kit, or to tie down secure items stored on the chest rig pouches. The internal elastic cells in the back are sewn in at three different widths to accommodate a wide range of items ranging from pistol magazines and multi-tools, all the way to 7.62 rifle mags and more. When assembled, the 34 Alpha Split Rig gives end-users access to a load bearing solution that will support a wide range of weapon platforms, mission profiles, and loadouts. NOTE: This is part of the Spiritus Systems Chest Rig System. This item does not include the chassis, shoulder straps, magazine inserts, or any other accessories. Note: This product may be shown with optional accessories. Made in the USA

## Attributes

- Name: [SPIRITUS SYSTEMS 34 ALPHA CHEST RIG MULTICAM BLACK](#)
- Manufacturer: [SPIRITUS SYSTEMS](#)
- Product no.: 430104643

# Safety Instruction Guide for the 34 Alpha Chest Rig

## Introduction

Thank you for choosing the 34 Alpha Chest Rig by Spiritus Systems. This guide provides important safety instructions and information to ensure the safe and effective use of your chest rig. Please read this guide carefully before using the product.

## General Safety Guidelines

- **Product Safety:** This product is designed to be safe for use in various conditions. However, improper use can lead to accidents or injuries.
- **Enhanced Recalls:** In the event of a safety issue, Spiritus Systems will provide standardized recall notices and remedies at no cost.
- **Online Shopping:** When purchasing this product online, ensure that you buy from authorized retailers to guarantee compliance with safety standards.
- **Special Consumer Focus:** This product is not intended for use by children or vulnerable individuals without adult supervision.
- **EU Contact Point:** For safety inquiries, please refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Stay informed about potential safety updates or recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Proper Fit:** Ensure that the chest rig is properly adjusted to fit your body. An improper fit can hinder movement and lead to accidents.
- **Weight Limit:** Do not exceed the recommended weight limit for the chest rig. Overloading can compromise safety and functionality.
- **Regular Inspections:** Periodically check the chest rig for wear and tear, including straps, buckles, and pouches. Replace any damaged components before use.
- **Avoid Sharp Objects:** Keep sharp objects away from the chest rig to prevent damage to the material and potential injury.
- **Use as Intended:** This chest rig is designed for load carriage and should not be used for any other purpose.

## Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the chest rig from its packaging. Inspect for any visible damage.
2. **Adjusting Straps:**
  - Locate the shoulder straps and back strap.
  - Adjust the straps to ensure a snug yet comfortable fit.
3. **Attaching Pouches:**
  - Use the MOLLE system to attach pouches securely.
  - Ensure that all pouches are fastened properly to prevent them from detaching during use.
4. **Using the Chest Rig:**
  - Wear the chest rig over your clothing, ensuring that it sits comfortably on your torso.
  - Load the rig with equipment and ammunition as needed, ensuring even weight distribution.
5. **Removing the Chest Rig:**
  - Release the Fastex buckles to remove the chest rig.
  - Store the chest rig in a cool, dry place when not in use.

## Disposal Instructions

- **Material Recycling:** The chest rig is made from recyclable materials. Please dispose of it in accordance with local recycling regulations.
- **NonRecyclable Parts:** For components that cannot be recycled, dispose of them in accordance with local waste management guidelines.

## Contact Information for Further Support

For any questions or concerns regarding the 34 Alpha Chest Rig, please consult the retailer from whom you purchased the product or visit the Spiritus Systems website for additional resources.

By following these guidelines, you can ensure the safe use of your 34 Alpha Chest Rig. Thank you for your attention to safety, and enjoy your product!
