

# OTB SACK POUCH - SPIRITUS SYSTEMS OTB SACK POUCH MK2 RANGER GREEN

[Shooting Accessories](#) > [Duty Gear](#) > [Pouches](#)

OTB SACK Pouch Over The Beach Operations are some of the most challenging and miserable operations that service members must endure. Spiritus Systems is proud to bring a suite of products that directly result in improved load carriage and soldier survival during sea-borne operations. The OTB product line is built with a mesh material, which allows for quick drainage of water and sea-borne debris such as sand. OTB products will dry faster after exiting the water and will drain water more efficiently as well. The mesh also makes the products simple to clean using fresh water after conducting operations in salt environments. The Sub Abdominal Carrying Kit or "SACK" is the most versatile tactical "fanny pack" on the market. It was designed to make critical equipment easy to access from both sides or when in a confined space like a vehicle. The pouch features a half zip design, which means that your equipment will not easily fall out of the pouch even if the zipper is left unsecured. The OTB Sack Pouch features a mesh segment at the bottom, which assists with drainage. The front of the pouch features a small zippered stash pocket that is constructed using a durable material, perfect for easy access to small items. The bottom of the pouch features two elastic loops that can be adjusted to hold a tourniquet or other equipment that you may need to rapidly deploy. If bottom carry doesn't fit your mission needs, you can easily remove and reinstall the loops as necessary. The inside features soft hook & loop on both sides, making the pouch very dynamic and allowing you to use our Velcro Insert Suite to fit your requirements. It also features two slide-locks that make it easy to adjust the tension of the elastic loops hanging below, as well as two tie-down loops for securing sensitive equipment. The two grommet holes on the bottom aid with drainage if submersion occurs. The SACK is designed to fit onto the bottom of Spiritus' Micro Fight Chest Rig, or any other plate carrier or rig that accommodates standard hook and loop, making it a versatile choice for those who frequently change load-outs. Simply pull it off one kit and add it to another. Some images shown with optional accessories, sold separately. Hook & loop attachment measures 7"x 4". NOTE: This is a component of a Spiritus Systems OTB (Over The Beach) LV/119 Plate Carrier build. To build the complete plate carrier that this pouch is compatible with, you will need to select at least one of each of these items: Spiritus Systems OTB Front Plate Bag Spiritus Systems OTB Rear Plate Bag Spiritus Systems OTB Tri Fold Shoulder Covers Spiritus Systems Cummerbund Set

# OTB SACK Pouch Safety Instruction Guide

## Introduction

Thank you for choosing the OTB SACK Pouch by Spiritus Systems. This product is designed to enhance your operational capabilities during Over The Beach (OTB) missions. To ensure safe usage and maximize the benefits of this pouch, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the OTB SACK Pouch by adhering to all safety guidelines provided. This product has been designed with safety in mind, but improper use can lead to hazards.
- **Enhanced Recalls:** Stay informed about any product recalls. In case of a recall, follow the instructions provided for returning or replacing the product.
- **Online Shopping:** When purchasing online, ensure that the platform complies with safety regulations to guarantee a safe shopping experience.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point for this product.
- **Rapid Alerts:** Monitor updates regarding product safety through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Avoid Submersion:** While the OTB SACK Pouch is designed for drainage, avoid prolonged submersion in water to prevent damage or malfunction.
- **Secure Closure:** Always ensure that the zipper is fully closed when in use to prevent items from falling out.
- **Proper Load Distribution:** Distribute weight evenly within the pouch to avoid excessive strain on the zipper and seams.
- **Regular Inspection:** Frequently check the pouch for signs of wear and tear. Replace if any damage is found.
- **Use as Intended:** This pouch is designed for tactical use. Do not use it for purposes outside of its intended function.

## Instructions for Installation and Usage

### 1. Installation:

- Locate the bottom of your Spiritus Systems Micro Fight Chest Rig or compatible plate carrier.
- Align the hook and loop attachment of the OTB SACK Pouch with the corresponding area on the rig.
- Press firmly to secure the pouch in place.

### 2. Usage:

- Access the main compartment by unzipping the half zip design.
- Store essential gear within the pouch, utilizing the small zippered stash pocket for smaller items.
- Adjust the elastic loops on the bottom to hold a tourniquet or other equipment as needed.
- If bottom carry is not suitable for your mission, remove and reinstall the loops as necessary.

### 3. Cleaning:

- After use in saltwater or muddy environments, rinse the pouch with fresh water to remove debris.
- Allow the pouch to air dry completely before storing.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the OTB SACK Pouch in accordance with local regulations. Do not dispose of in regular household waste if it contains hazardous materials.
- **Recycling:** If possible, recycle the pouch or its components according to local recycling guidelines.

## Contact Information for Further Support

For any questions or concerns regarding the OTB SACK Pouch, please refer to the appropriate contact point provided with your purchase. Ensure you have the product details ready for a more efficient response.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your OTB SACK Pouch and stay safe during your operations!
