

LIBERTY DYNAMIC FLASH BANG POUCH - SPIRITUS SYSTEMS

LIBERTY DYNAMIC FLASH BANG POUCH BLACK

[Home](#)

Liberty Dynamic Flashbang Pouch The Liberty Dynamic Flashbang Pouch is a purpose-built storage solution for the Liberty Dynamic Flash Bang Grenade, but with a rectangular profile that is similar in size to many other common items found on the battlefield, this pouch can effectively store a wide variety of other items. 556 magazines, certain ATAK devices, and cell phones will all work with this pouch. The internal dimensions are 2" wide x 7" tall x 1" deep. However, the elastic sides on the pouch and the adjustable top allow it to accommodate larger items (i.e. a Kagwerks EUD case measuring 3.5" wide). The MOLLE backer takes up two columns and features a split MOLLE bar on the second row so it can be configured as a belt pass-through for various belt widths. The top flap of the pouch can be stowed inside the pouch so the user can use it as an open-top storage solution, or install the included shock cord retaining tab. This pouch is also a great alternative to the MPRC Mk5 if you are using small handsets like the Baofeng UV-5R or similar radios. When configured with an open top and shock cord retaining tab it will accommodate aftermarket antennae and PTT wiring while maintaining access to the radios top-mounted knob.

Attributes

Liberty Dynamic Flashbang Pouch Safety Instructions

Introduction

Thank you for choosing the Liberty Dynamic Flashbang Pouch. This product is designed for safe and effective storage of the Liberty Dynamic Flash Bang Grenade and other items. Please read this safety instruction guide carefully to ensure safe usage and compliance with EU safety regulations.

General Safety Guidelines

- Ensure the pouch is used only for its intended purpose.
- Regularly inspect the pouch for any signs of wear or damage.
- Keep the pouch out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the use of tactical gear.
- In case of any safety concerns or product issues, report them to the appropriate authorities.

Specific Safety Precautions for Use

- **Storage:** Only store items that fit within the internal dimensions of the pouch (2" wide x 7" tall x 1" deep) or can be accommodated by the adjustable features.
- **Weight Limit:** Do not overload the pouch beyond its intended capacity to avoid damage or failure.
- **Elastic Sides:** Be cautious when using the elastic sides; ensure they are not overstretched.
- **MOLLE Attachment:** Ensure the MOLLE backer is securely attached to your gear to prevent accidental detachment.
- **OpenTop Usage:** If using the pouch in an opentop configuration, ensure that items stored inside are secure and will not fall out during movement.

Instructions for Installation and Usage

1. Attaching the Pouch:

- Use the MOLLE backer to securely attach the pouch to your tactical gear.
- Make sure the split MOLLE bar is properly threaded to ensure stability.

2. Stowing the Flap:

- The top flap can be stowed inside the pouch for opentop access.
- Alternatively, install the included shock cord retaining tab for added security.

3. Loading Items:

- Insert items into the pouch, ensuring they fit securely and do not exceed the dimensions of the pouch.
- For larger items, adjust the top and elastic sides accordingly.

4. Using with Radios:

- When using small handsets, ensure that the pouch is configured to allow access to the radio's topmounted knob.
- Be mindful of any aftermarket antennae and PTT wiring to ensure they do not obstruct usage.

Disposal Instructions

- Dispose of the pouch in accordance with local regulations for textile products.
- If the pouch is damaged or no longer usable, ensure it is disposed of in a way that prevents it from being a hazard to others.

Contact Information for Further Support

For any inquiries regarding product safety or usage, please refer to the contact information provided by your retailer or manufacturer. It is important to have access to support for any concerns or questions you may have about the product.

By following these safety instructions, you can ensure a safe and effective experience with your Liberty Dynamic Flashbang Pouch. Thank you for your attention to safety and compliance with EU regulations.
