

LIBERTY DYNAMIC FLASH BANG POUCH - SPIRITUS SYSTEMS

LIBERTY DYNAMIC FLASH BANG POUCH MULTICAM

[Home](#)

Liberty Dynamic Flashbang Pouch The Liberty Dynamic Flashbang Pouch is a purpose-built storage solution for the Liberty Dynamic Flash Bang Grenade, but with a rectangular profile that is similar in size to many other common items found on the battlefield, this pouch can effectively store a wide variety of other items. 556 magazines, certain ATAK devices, and cell phones will all work with this pouch. The internal dimensions are 2" wide x 7" tall x 1" deep. However, the elastic sides on the pouch and the adjustable top allow it to accommodate larger items (i.e. a Kagwerks EUD case measuring 3.5" wide). The MOLLE backer takes up two columns and features a split MOLLE bar on the second row so it can be configured as a belt pass-through for various belt widths. The top flap of the pouch can be stowed inside the pouch so the user can use it as an open-top storage solution, or install the included shock cord retaining tab. This pouch is also a great alternative to the MPRC Mk5 if you are using small handsets like the Baofeng UV-5R or similar radios. When configured with an open top and shock cord retaining tab it will accommodate aftermarket antennae and PTT wiring while maintaining access to the radios top-mounted knob.

Attributes

- Name: [SPIRITUS SYSTEMS LIBERTY DYNAMIC FLASH BANG POUCH MULTICAM](#)
- Manufacturer: [SPIRITUS SYSTEMS](#)
- Product no.: 430104679
- Mfr. No.: PO-FL-MC

Safety Instruction Guide for Liberty Dynamic Flashbang Pouch

Introduction

Thank you for choosing the Liberty Dynamic Flashbang Pouch by Spiritus Systems. This guide is designed to provide you with essential safety information and instructions for the proper use of this product. Please read this guide thoroughly to ensure safe and effective use.

General Safety Guidelines

- **Product Safety:** This product is designed to ensure safe use in various environments. It complies with the EU General Product Safety Regulation (GPSR).
- **Recall Information:** In the event of a safety recall, standardized notices will be provided. Please stay informed about any updates regarding this product.
- **Online Shopping Protections:** When purchasing this product online, you are entitled to the same safety protections as if you were buying in a physical store.
- **Vulnerable Groups:** Extra precautions should be taken when this product is used around children or individuals with limited understanding of its functions.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Stay updated on product safety through the EU Safety Gate system, which provides alerts on unsafe products.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Ensure that the pouch is used only for its intended purpose. Misuse may result in damage or injury.
 - Be cautious of sharp edges or components when handling the pouch.
- **Avoid Overloading:**
 - Do not exceed the recommended internal dimensions of the pouch (2" wide x 7" tall x 1" deep) unless using the elastic sides for larger items.
- **Secure Storage:**
 - Ensure that all items stored within the pouch are secured to prevent accidental release.
- **Regular Inspections:**
 - Periodically check the pouch for signs of wear or damage. Discontinue use if any damage is found.
- **Keep Away from Children:**
 - This product is not a toy. Keep it out of reach of children to prevent accidents.

Instructions for Installation and Usage

- **Installation:**
 - Attach the MOLLE backer to your gear using the twocolumn attachment system.
 - Ensure that the split MOLLE bar is properly configured for your belt width if you choose to use it as a belt passthrough.
- **Usage:**
 - To stow the top flap, simply tuck it inside the pouch for opentop access.
 - If using the shock cord retaining tab, follow these steps:
 1. Attach the shock cord to the designated points on the pouch.
 2. Adjust the cord to secure the contents while allowing access to topmounted knobs on

devices.

- **Storage:**

- Place items such as 556 magazines, ATAK devices, or cell phones into the pouch, ensuring they fit securely.
- For larger items, ensure they are within the elastic sides' capacity.

Disposal Instructions

- **Disposal of the Product:**

- When the pouch reaches the end of its life cycle, dispose of it in accordance with local waste management regulations.
- Do not incinerate or expose the pouch to extreme heat, as this may release harmful substances.

Contact Information for Further Support

For any questions or concerns regarding the Liberty Dynamic Flashbang Pouch, please refer to the manufacturer's contact information provided with your product packaging. It is important to have access to support for any safety inquiries or product issues.

Thank you for your attention to these safety instructions. Proper use and care will ensure that you enjoy the benefits of the Liberty Dynamic Flashbang Pouch safely and effectively.
