LIBERTY DYNAMIC FLASH BANG POUCH - SPIRITUS SYSTEMS LIBERTY DYNAMIC FLASH BANG POUCH WOLF GREY

Liberty Dynamic Flashbang Pouch The Liberty Dynamic Flashbang Pouch is a purpose-built storage solution for the Liberty Dynamic Flash Bang Grenade, but with a rectangular profile that is similar in size to many other common items found on the battlefield, this pouch can effectively store a wide variety of other items. 556 magazines, certain ATAK devices, and cell phones will all work with this pouch. The internal dimensions are 2" wide x 7" tall x 1" deep. However, the elastic sides on the pouch and the adjustable top allow it to accommodate larger items (i.e. a Kagwerks EUD case measuring 3.5" wide). The MOLLE backer takes up two columns and features a split MOLLE bar on the second row so it can be configured as a belt pass-through for various belt widths. The top flap of the pouch can be stowed inside the pouch so the user can use it as an open-top storage solution, or install the included shock cord retaining tab. This pouch is also a great alternative to the MPRC Mk5 if you are using small handsets like the Baofeng UV-5R or similar radios. When configured with an open top and shock cord retaining tab it will accommodate aftermarket antennae and PTT wiring wile maintaining access to the radios top-mounted knob.

Attributes

- Name: [SPIRITUS SYSTEMS LIBERTY DYNAMIC FLASH BANG POUCH WOLF GREY](#)

Liberty Dynamic Flashbang Pouch Safety Instructions

Introduction

Thank you for choosing the Liberty Dynamic Flashbang Pouch. This product is designed for the safe storage and transport of the Liberty Dynamic Flash Bang Grenade and other compatible items. Please read this safety instruction guide carefully to ensure safe and effective use of the pouch.

General Safety Guidelines

- **Product Safety**: Ensure that the pouch is used only for its intended purpose. Improper use may lead to accidents or injuries.
- **Enhanced Recalls**: Stay informed about product recalls. If you receive a recall notice, follow the instructions provided to return or exchange the product.
- **Online Shopping**: If purchased online, ensure that the retailer complies with safety standards equivalent to those of physical stores.
- **Special Consumer Focus**: This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point**: For any safety inquiries, please refer to your retailer or manufacturer's contact point.
- **Rapid Alerts**: Regularly check the EU's Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- **Storage**: Store the pouch in a cool, dry place away from direct sunlight to prevent material degradation.
- **Load Capacity**: Do not exceed the recommended internal dimensions of 2" wide x 7" tall x 1" deep. Ensure that items stored do not exceed the elastic capacity of the pouch.
- **Compatibility**: Only use items that are compatible with the pouch, such as 556 magazines, ATAK devices, and cell phones.
- **Elastic Sides**: Be cautious when inserting larger items, as the elastic sides may stretch. Ensure items are securely placed to prevent accidental release.
- **Top Flap Usage**: When using the top flap as an opentop storage solution, ensure that items are stable to avoid spillage.
- **Shock Cord Retaining Tab**: When using the shock cord retaining tab, ensure it is properly secured to maintain access to the radio's topmounted knob.

Instructions for Installation and Usage

1. **Attachment**:

   - Use the MOLLE backer to attach the pouch to your gear. Ensure it is securely fastened.
   - For belt use, configure the split MOLLE bar to accommodate different belt widths as needed.

2. **Loading Items**:

   - Open the pouch and place compatible items inside.
   - If using larger items, ensure they fit comfortably within the elastic sides.
   - If using the shock cord retaining tab, secure it to prevent items from falling out.

3. **Adjusting the Flap**:

   - If the top flap is not needed, stow it inside the pouch.
   - For added security, attach the shock cord retaining tab.

4. **Transport**:

    ○ When transporting the pouch, ensure it is securely attached to your gear and that all items are properly stored.

Disposal Instructions

- Dispose of the pouch in accordance with local regulations.
- Do not incinerate or expose to extreme heat, as this may cause harmful emissions.
- If the pouch is damaged or no longer in use, consider recycling materials where applicable.

Contact Information for Further Support

For any questions or concerns regarding the Liberty Dynamic Flashbang Pouch, please refer to the retailer or manufacturer's contact point for assistance.
