

# MOLLE EXPANDER WING - SPIRITUS SYSTEMS MOLLE EXPANDER WING MULTICAM BLACK

[Home](#)

MOLLE Expander Wing The MOLLE Expander Wing is an ambidextrous and versatile platform for mounting knives, pouches, and other kit underneath the cummerbund of the LV/119 plate carrier. The wing integrates with the front plate bag via a double-sided hook and loop field that can be mounted on the front hook & loop panel, under a Micro Fight Chassis or 556 Placard. The wing features integrated loops and a pass through for female Tubes™ bars. This allows the wing to seamlessly work with a Tubes™-equipped LV/119 or allow for the integration of tubes on a plate carrier that would not otherwise accept them. The MOLLE grid is backed with ballistic Tegriss for a solid mounting platform and uses regularly spaced metal eyelets so other non-standard items can be lashed or zip-tied to the wing. The MOLLE grid is comprised of two columns and two rows.

## Attributes

- Name: [SPIRITUS SYSTEMS MOLLE EXPANDER WING MULTICAM BLACK](#)
- Manufacturer: [SPIRITUS SYSTEMS](#)
- Product no.: 430104690
- Mfr. No.: CR-MW-MB

# MOLLE Expander Wing Safety Instruction Guide

## Introduction

Thank you for choosing the MOLLE Expander Wing by Spiritus Systems. This guide provides essential safety information, installation instructions, and usage guidelines to ensure the safe and effective use of your product. Please read this guide carefully before use.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the MOLLE Expander Wing by following all instructions provided in this guide.
- **Enhanced Recalls:** Stay informed about any recalls related to the product. Check the EU Safety Gate platform regularly for updates.
- **Online Shopping:** When purchasing online, ensure that the seller complies with EU safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, please refer to the appropriate EU-based contact as indicated by the retailer.
- **Rapid Alerts:** Be aware of any safety alerts regarding this product through the Safety Gate system.

## Specific Safety Precautions for Use

- **Personal Safety:** Always inspect the MOLLE Expander Wing before use. Do not use if damaged or worn.
- **Mounting Safety:** Ensure that all items mounted to the wing are secure to prevent accidents during use.
- **Weight Limit:** Be mindful of the weight of items attached to the MOLLE Expander Wing to avoid overloading.
- **Environmental Conditions:** Avoid using the product in extreme weather conditions that may affect its performance.
- **Proper Fit:** Ensure that the MOLLE Expander Wing is properly fitted to your LV/119 plate carrier before use.

## Instructions for Installation and Usage

### 1. Installation:

- Locate the double-sided hook and loop field on the MOLLE Expander Wing.
- Position the wing under the cummerbund of your LV/119 plate carrier.
- Attach the wing securely to the front hook & loop panel or under a Micro Fight Chassis or 556 Placard.
- Ensure that the integrated loops and passthrough for Tubes™ bars are accessible.

### 2. Usage:

- Once installed, you can attach knives, pouches, and other gear to the MOLLE grid.
- Use the metal eyelets to lash or ziptie nonstandard items securely.
- Regularly check the attachment points to ensure they remain secure during use.

## Disposal Instructions

- Dispose of the MOLLE Expander Wing in accordance with local regulations.
- If the product is damaged beyond repair, consider recycling materials where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the MOLLE Expander Wing, please refer to the retailer or manufacturer's website for contact details.

Thank you for your attention to these safety guidelines. Enjoy using your MOLLE Expander Wing safely and effectively!
