

# MOLLE EXPANDER WING - SPIRITUS SYSTEMS MOLLE EXPANDER WING MULTICAM

[Home](#)

MOLLE Expander Wing The MOLLE Expander Wing is an ambidextrous and versatile platform for mounting knives, pouches, and other kit underneath the cummerbund of the LV/119 plate carrier. The wing integrates with the front plate bag via a double-sided hook and loop field that can be mounted on the front hook & loop panel, under a Micro Fight Chassis or 556 Placard. The wing features integrated loops and a pass through for female Tubes™ bars. This allows the wing to seamlessly work with a Tubes™-equipped LV/119 or allow for the integration of tubes on a plate carrier that would not otherwise accept them. The MOLLE grid is backed with ballistic Tegriss for a solid mounting platform and uses regularly spaced metal eyelets so other non-standard items can be lashed or zip-tied to the wing. The MOLLE grid is comprised of two columns and two rows.

## Attributes

- Name: [SPIRITUS SYSTEMS MOLLE EXPANDER WING MULTICAM](#)
- Manufacturer: [SPIRITUS SYSTEMS](#)

# MOLLE Expander Wing Safety Instruction Guide

## Introduction

Thank you for choosing the MOLLE Expander Wing by Spiritus Systems. This product is designed to enhance your tactical gear by providing a versatile platform for mounting various items. To ensure safe and effective use of the MOLLE Expander Wing, please read this safety instruction guide carefully.

## General Safety Guidelines

- **Product Safety:** Always ensure that the MOLLE Expander Wing is used as intended. This product is designed for mounting nonfood items only.
- **Enhanced Recalls:** Stay informed about any recalls related to the MOLLE Expander Wing. If a recall occurs, follow the instructions provided for returning or replacing the product.
- **Online Shopping:** When purchasing online, ensure that the seller meets all safety requirements and provides clear information about the product.
- **Special Consumer Focus:** This product is not intended for children. Keep it out of reach of minors to prevent any accidents.
- **EU Contact Point:** For any safety inquiries regarding this product, please refer to the manufacturer's contact information provided with your purchase.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on product safety and recall notices.

## Specific Safety Precautions for Use

- **Mounting Items:** Ensure that all items mounted on the MOLLE Expander Wing are securely attached. Loose items can pose a risk during movement.
- **Weight Limit:** Do not exceed the recommended weight limit for the MOLLE Expander Wing. Overloading can compromise the integrity of the product.
- **Inspection:** Regularly inspect the MOLLE Expander Wing for any signs of wear, damage, or failure. If you notice any issues, discontinue use immediately.
- **Environmental Exposure:** Avoid exposing the MOLLE Expander Wing to extreme temperatures, moisture, or chemicals that could damage the material.
- **Proper Use:** Use the MOLLE Expander Wing only for its intended purpose. Do not modify or alter the product in any way.

## Instructions for Installation and Usage

1. **Preparation:** Before installation, ensure that the area of the plate carrier where the MOLLE Expander Wing will be attached is clean and free of debris.
2. **Attachment:**
  - Locate the doublesided hook and loop field on the MOLLE Expander Wing.
  - Align the hook and loop field with the corresponding panel on your plate carrier.
  - Press firmly to secure the attachment.
3. **Mounting Items:**
  - Use the integrated loops and passthroughs for female Tubes™ bars to attach items.
  - Ensure that all items are securely fastened using the MOLLE grid.
  - Check that the items do not obstruct movement or access to essential gear.
4. **Final Inspection:** Once installed, perform a final check to ensure that the MOLLE Expander Wing is securely attached and that all mounted items are safe and stable.

## Disposal Instructions

- **End of Life:** When the MOLLE Expander Wing reaches the end of its useful life, dispose of it responsibly.
- **Material Recycling:** Check local regulations for recycling options for the materials used in the MOLLE

Expander Wing.

- **Environmental Considerations:** Do not dispose of the product in regular household waste if it can be recycled. Follow local guidelines for hazardous waste disposal if applicable.

## Contact Information for Further Support

For further support regarding the MOLLE Expander Wing, please refer to the contact information provided with your purchase. If you have any safety concerns or need assistance, do not hesitate to reach out to the manufacturer.

Thank you for your attention to these safety guidelines. Enjoy the enhanced functionality of your MOLLE Expander Wing while ensuring safe use.
