

# **MOLLE EXPANDER WING - SPIRITUS SYSTEMS MOLLE EXPANDER WING WOLF GREY**

[Home](#)

**MOLLE Expander Wing** The MOLLE Expander Wing is an ambidextrous and versatile platform for mounting knives, pouches, and other kit underneath the cummerbund of the LV/119 plate carrier. The wing integrates with the front plate bag via a double-sided hook and loop field that can be mounted on the front hook & loop panel, under a Micro Fight Chassis or 556 Placard. The wing features integrated loops and a pass through for female Tubes™ bars. This allows the wing to seamlessly work with a Tubes™-equipped LV/119 or allow for the integration of tubes on a plate carrier that would not otherwise accept them. The MOLLE grid is backed with ballistic Tegris for a solid mounting platform and uses regularly spaced metal eyelets so other non-standard items can be lashed or zip-tied to the wing. The MOLLE grid is comprised of two columns and two rows.

## **Attributes**

- Name: [SPIRITUS SYSTEMS MOLLE EXPANDER WING WOLF GREY](#)

# MOLLE Expander Wing Safety Instruction Guide

## Introduction

Thank you for choosing the MOLLE Expander Wing from Spiritus Systems. This versatile platform is designed for mounting knives, pouches, and other gear underneath the cummerbund of the LV/119 plate carrier. This guide provides essential safety instructions and usage guidelines to ensure the safe and effective operation of your product.

## General Safety Guidelines

- Ensure that the MOLLE Expander Wing is used only for its intended purpose.
- Regularly inspect the product for any signs of wear, damage, or malfunction.
- If any part of the product is damaged, discontinue use immediately and replace it.
- Keep the product out of the reach of children to prevent accidents.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure that the MOLLE Expander Wing is securely mounted before use.
- Avoid overloading the wing with excessive weight, which may compromise its structural integrity.
- Be cautious when using sharp objects, such as knives, that are mounted on the wing.
- Ensure that any items attached to the MOLLE grid do not obstruct movement or visibility.
- Use only compatible attachments to avoid interference with the functionality of the MOLLE Expander Wing.

## Instructions for Installation and Usage

### 1. Installation:

- Align the MOLLE Expander Wing with the front hook & loop panel of the LV/119 plate carrier.
- Secure the wing using the doublesided hook and loop field, ensuring a tight fit.
- If using with a Micro Fight Chassis or 556 Placard, follow the specific attachment guidelines for those products.

### 2. Mounting Items:

- Use the integrated loops and passthrough for female Tubes™ bars to secure additional gear.
- Ensure that all items are properly fastened and do not impede movement.
- Utilize the regularly spaced metal eyelets for lashing or ziptying nonstandard items to the wing.

### 3. Usage:

- When wearing the LV/119 plate carrier with the MOLLE Expander Wing, adjust the cummerbund for a comfortable and secure fit.
- Regularly check the security of all mounted items during use, especially in dynamic environments.

## Disposal Instructions

- Dispose of the MOLLE Expander Wing in accordance with local regulations regarding textile and plastic waste.
- If the product is damaged beyond repair, consider recycling components where possible.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website.

By following these safety instructions and guidelines, you can ensure the safe use of the MOLLE Expander Wing. Thank you for prioritizing safety and responsible use of your equipment.
