

BACK PANEL MOLLE FLAP - SPIRITUS SYSTEMS BACK PANEL MOLLE FLAP BLACK

[Home](#)

Back Panel MOLLE Flap The Back Panel MOLLE Flap is a six-column panel for the LV/119 Assault Panel Core. It features six columns of MOLLE so the end user can mount a wide array of pouches above the main compartment. The flap retains the passthroughs found in the GP and Flashbang Flaps and mounts directly to the top zipper of the Assault Panel Core.

BACK PANEL MOLLE FLAP SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Back Panel MOLLE Flap by Spiritus Systems. This product is designed for safe and effective use with the LV/119 Assault Panel Core. This safety instruction guide provides essential information on the safe use, installation, and maintenance of the Back Panel MOLLE Flap. Please read this guide carefully to ensure your safety and the safety of others.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Regularly inspect the Back Panel MOLLE Flap for signs of wear, damage, or malfunction.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Avoid using the Back Panel MOLLE Flap in extreme weather conditions that may compromise its integrity.
- Ensure that all pouches and accessories mounted on the MOLLE Flap are securely attached to prevent accidental detachment.
- Do not overload the Back Panel MOLLE Flap beyond its designed capacity, as this may lead to failure and potential injury.
- Use caution when handling sharp objects or tools in conjunction with the product.
- Be aware of your surroundings when using the Back Panel MOLLE Flap, especially in crowded or confined spaces.

Instructions for Installation and Usage

1. Installation:

- Locate the top zipper of the LV/119 Assault Panel Core.
- Align the Back Panel MOLLE Flap with the zipper and ensure it is oriented correctly.
- Attach the flap securely to the zipper, ensuring that all attachment points are fastened properly.
- Verify that the flap is firmly in place before proceeding to use.

2. Usage:

- Once installed, you can begin mounting pouches above the main compartment.
- Use the six columns of MOLLE for a variety of pouches as needed for your specific requirements.
- Ensure that all mounted pouches are securely fastened and do not obstruct access to the main compartment.
- Regularly check the attachment points during use to ensure they remain secure.

Disposal Instructions

- When the Back Panel MOLLE Flap has reached the end of its life or is no longer usable, dispose of it in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, seek out recycling options for fabric and plastic materials if available.
- Ensure that any attached pouches or accessories are also disposed of properly.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and usage of the Back Panel MOLLE Flap, please refer to the official Spiritus Systems website or customer support resources.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities.
