

# **BACK PANEL MOLLE FLAP - SPIRITUS SYSTEMS BACK PANEL MOLLE FLAP COYOTE BROWN**

[Home](#)

Back Panel MOLLE Flap The Back Panel MOLLE Flap is a six-column panel for the LV/119 Assault Panel Core. It features six columns of MOLLE so the end user can mount a wide array of pouches above the main compartment. The flap retains the passthroughs found in the GP and Flashbang Flaps and mounts directly to the top zipper of the Assault Panel Core.

# BACK PANEL MOLLE FLAP Safety Instructions

## Introduction

Thank you for choosing the BACK PANEL MOLLE FLAP by Spiritus Systems. This product is designed to enhance your tactical gear by providing additional mounting options for pouches and accessories. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used only as intended and according to the manufacturer's instructions.
- Regularly inspect the product for signs of wear and damage before each use.
- Avoid using the product in extreme weather conditions that may compromise its integrity.
- Keep the product out of reach of children when not in use to prevent accidents.
- Report any unsafe conditions or accidents involving this product to the appropriate authorities.

## Specific Safety Precautions for Use

- **Mounting:** Ensure that all pouches and accessories are securely attached to the MOLLE flap to prevent them from detaching during use.
- **Zipper Use:** When using the top zipper, ensure that no items are caught in the zipper to avoid damage or injury.
- **Weight Distribution:** Be mindful of the weight distribution when adding pouches to the flap. Overloading may affect the stability of your gear.
- **Cleaning:** Use only mild soap and water for cleaning. Avoid harsh chemicals that may damage the material.

## Instructions for Installation and Usage

### 1. Installation:

- Locate the top zipper of the LV/119 Assault Panel Core.
- Align the Back Panel MOLLE Flap with the zipper and ensure it is positioned correctly.
- Secure the flap by fastening it to the zipper, ensuring it is tightly attached.
- Confirm that the passthroughs are accessible and functional.

### 2. Usage:

- Attach pouches and accessories to the six columns of MOLLE on the flap.
- Ensure that all attachments are securely fastened.
- When in use, regularly check the attachments to ensure they remain secure.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for textile and plastic waste.
- Do not burn the product as it may release harmful fumes.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided with your product. Always ensure you have the product details ready when seeking assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
