

# BACK PANEL MOLLE FLAP - SPIRITUS SYSTEMS BACK PANEL MOLLE FLAP MULTICAM BLACK

[Home](#)

Back Panel MOLLE Flap The Back Panel MOLLE Flap is a six-column panel for the LV/119 Assault Panel Core. It features six columns of MOLLE so the end user can mount a wide array of pouches above the main compartment. The flap retains the passthroughs found in the GP and Flashbang Flaps and mounts directly to the top zipper of the Assault Panel Core.

# Safety Instructions for BACK PANEL MOLLE FLAP

## Introduction

Thank you for choosing the BACK PANEL MOLLE FLAP by Spiritus Systems. This product is designed to enhance the functionality of the LV/119 Assault Panel Core. To ensure your safety and the optimal use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always inspect the product before use for any signs of damage or wear.
- Ensure that the product is used only for its intended purpose as described in the product specifications.
- Keep the product out of reach of children to prevent accidental injuries.
- If you notice any defects or issues, cease use immediately and report the problem to the manufacturer.
- Regularly check for updates on product recalls and safety information through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure all pouches and accessories are securely mounted to the MOLLE panel to prevent accidental detachment.
- Do not overload the panel with excessive weight, as this may compromise its integrity and safety.
- Avoid sharp objects or extreme conditions that may damage the panel.
- When using the product in outdoor environments, be aware of your surroundings to avoid potential hazards.
- If you experience any discomfort while using the product, discontinue use and consult a professional.

## Instructions for Installation and Usage

### 1. Installation of the Back Panel MOLLE Flap:

- Align the flap with the top zipper of the Assault Panel Core.
- Secure the flap in place, ensuring that it is firmly attached.
- Check that the passthroughs are accessible and functional.

### 2. Mounting Pouches:

- Select the pouches you wish to attach.
- Slide the pouch straps through the MOLLE webbing, ensuring they are threaded securely.
- Pull the straps tight to ensure a snug fit.
- Verify that all pouches are securely attached before use.

### 3. Usage:

- Use the Back Panel MOLLE Flap as intended, ensuring that it does not obstruct any zippers or compartments.
- Regularly check the stability of attached pouches during use, especially during physical activities.
- Clean the panel as needed, following the care instructions provided by the manufacturer.

## Disposal Instructions

- Dispose of the product responsibly at a designated waste disposal facility.
- Do not incinerate the product, as it may release harmful substances.
- Follow local regulations for the disposal of textile and plastic materials.

## **Contact Information for Further Support**

For any inquiries regarding safety concerns or product issues, please contact the manufacturer directly. Ensure to have your product details handy for a more efficient response.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy your experience with the BACK PANEL MOLLE FLAP!
