

BACK PANEL MOLLE FLAP - SPIRITUS SYSTEMS BACK PANEL MOLLE FLAP MULTICAM

[Home](#)

Back Panel MOLLE Flap The Back Panel MOLLE Flap is a six-column panel for the LV/119 Assault Panel Core. It features six columns of MOLLE so the end user can mount a wide array of pouches above the main compartment. The flap retains the passthroughs found in the GP and Flashbang Flaps and mounts directly to the top zipper of the Assault Panel Core.

Safety Instruction Guide for BACK PANEL MOLLE FLAP

Introduction

Thank you for choosing the BACK PANEL MOLLE FLAP by SPIRITUS SYSTEMS. This product is designed to enhance the functionality of your LV/119 Assault Panel Core. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the product for signs of wear or damage before use.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always check that the MOLLE Flap is securely attached to the Assault Panel Core before use.
- Do not overload the MOLLE Flap with excessive weight as this may compromise its integrity and safety.
- Avoid sharp objects or excessive force that may damage the fabric.
- Be cautious when using the product in adverse weather conditions, as wet conditions may affect the grip and stability.
- If the product shows any signs of damage, discontinue use immediately and seek a replacement.

Instructions for Installation and Usage

1. Installation:

- Lay the Assault Panel Core flat on a clean surface.
- Align the Back Panel MOLLE Flap with the top zipper of the Assault Panel Core.
- Securely attach the flap by ensuring that all zippers are fully closed and locked in place.
- Verify that the flap is firmly in position and does not shift when pulled.

2. Usage:

- Utilize the six columns of MOLLE to attach pouches or accessories as needed.
- Ensure that any items mounted on the MOLLE Flap are within the weight capacity of the panel.
- Regularly check the attachments to ensure they remain secure during use.

Disposal Instructions

- Dispose of the product in accordance with local waste management regulations.
- If the product is damaged or no longer needed, consider recycling the materials if possible.
- Do not dispose of the product in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the BACK PANEL MOLLE FLAP, please refer to the manufacturer's contact details provided with your purchase.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.

Enjoy the enhanced functionality of your BACK PANEL MOLLE FLAP!
