

BACK PANEL MOLLE FLAP - SPIRITUS SYSTEMS BACK PANEL MOLLE FLAP RANGER GREEN

[Home](#)

Back Panel MOLLE Flap The Back Panel MOLLE Flap is a six-column panel for the LV/119 Assault Panel Core. It features six columns of MOLLE so the end user can mount a wide array of pouches above the main compartment. The flap retains the passthroughs found in the GP and Flashbang Flaps and mounts directly to the top zipper of the Assault Panel Core.

BACK PANEL MOLLE FLAP SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Back Panel MOLLE Flap by Spiritus Systems. This product is designed to enhance your LV/119 Assault Panel Core by providing additional mounting options for pouches. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of the Back Panel MOLLE Flap by following all instructions provided in this guide.
- Regularly inspect the product for any signs of wear or damage before use.
- Store the product in a cool, dry place when not in use to prevent deterioration.
- If you notice any defects or unsafe conditions, discontinue use immediately and report to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the weight limit recommended for the pouches mounted on the MOLLE Flap.
- Ensure that all pouches are securely attached before use to prevent accidental detachment.
- Avoid using the product in extreme weather conditions that may compromise its integrity.
- Keep the product away from sharp objects to prevent punctures or tears.
- For users under the age of 18, adult supervision is recommended during use.

Instructions for Installation and Usage

1. Installation:

- Locate the top zipper of the Assault Panel Core.
- Align the Back Panel MOLLE Flap with the zipper, ensuring the passthroughs are correctly positioned.
- Securely attach the flap to the Assault Panel Core by zipping it into place, ensuring a tight fit.

2. Usage:

- After installation, you may begin to attach pouches to the MOLLE columns.
- Slide the MOLLE straps of each pouch through the columns, ensuring they are pulled tight.
- Check the attachment of each pouch before use to confirm they are securely fastened.

3. Maintenance:

- Regularly check the attachment points and the overall condition of the Back Panel MOLLE Flap.
- Clean the product using a damp cloth and mild soap, avoiding harsh chemicals that may damage the material.
- Allow the product to air dry completely before storing or using it again.

Disposal Instructions

- Dispose of the Back Panel MOLLE Flap in accordance with local regulations regarding textile waste.
- If the product is damaged beyond repair, consider recycling materials where possible.
- Do not incinerate the product, as it may release harmful substances.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and usage of the Back Panel MOLLE Flap, please refer to the EU contact point available for consumer safety inquiries.

Conclusion

By following these safety instructions, you can enjoy the benefits of the Back Panel MOLLE Flap while ensuring your safety and compliance with the EU General Product Safety Regulation. Thank you for your attention to these guidelines.
