

MUTANT POUCH - SPIRITUS SYSTEMS MUTANT POUCH MULTICAM BLACK

[Shooting Accessories](#) > [Duty Gear](#) > [Pouches](#)

Mutant Pouch The Mutant Pouch is a multi-purpose sustainment storage solution that can be mounted to any MOLLE surface with four columns. The Pouch is divided into two main compartments and is built with a mixture of Cordura and laminated Squadron Fabrics. The main compartment features a top flap with double retention (Hook & Loop & Fastex Buckle Closure) and is designed to hold a high-capacity radio battery (like the BB-2590), 8x 5.56 STANAG magazines stacked parallel to the body, 5.56 link, or any other similar sized items. The double closure gives the user multiple gear retention options and will reduce slop in the pouch. The secondary compartment will securely hold a handheld radio unit via elastic retention loop and an adjustable shock cord retention lanyard. Radios like the Harris 152 and Persistent Systems MPU5 are compatible, as well as a whole range of other smaller handhelds like Baofeng and Motorola products. The retention lanyard can be adjusted for radio height and is connected with a fastex buckle at the base so that the operator can easily remove the radio from the pouch, even with tall antennas. This compartment will also hold 16oz water bottles and other accessories. The Mutant serves as the foundational pouch for the 34A Split Rig system, and when paired with a SPUD pouch on each panel, end users now have access to a full-featured sustainment chest rig platform that can accommodate a wide variety of weapon and radio systems.

Attributes

- Name: [SPIRITUS SYSTEMS MUTANT POUCH MULTICAM BLACK](#)

MUTANT POUCH USER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the MUTANT Pouch by SPIRITUS SYSTEMS. This multipurpose sustainment storage solution is designed for safe and effective use in various applications. This guide provides essential safety instructions and usage guidelines to ensure a safe experience with your product.

General Safety Guidelines

- Ensure that the pouch is securely mounted to a compatible MOLLE surface before use.
- Regularly inspect the pouch for any signs of wear or damage. Discontinue use if any issues are found.
- Keep the pouch away from extreme heat, moisture, and direct sunlight to maintain the integrity of the materials.
- Avoid overloading the pouch beyond its intended capacity to prevent deformation and potential hazards.
- Use the pouch only for its intended purpose as specified in this manual.

Specific Safety Precautions for Use

- Always ensure that the retention lanyard is properly adjusted to secure handheld radios and other items.
- When removing the radio from the pouch, do so carefully to avoid damage to the radio or the pouch.
- Be cautious when using the pouch in environments where it may become snagged or caught on obstacles.
- Keep the pouch out of reach of children and ensure that it is used only by individuals familiar with its operation.
- If using the pouch in a tactical environment, be aware of your surroundings and potential hazards.

Instructions for Installation and Usage

Installation

- To mount the MUTANT Pouch:
 1. Align the pouch with the desired MOLLE surface.
 2. Weave the attachment straps through the MOLLE webbing, ensuring a secure fit.
 3. Pull the straps tight to eliminate any slack.

Usage

- **Main Compartment:**
 - Open the top flap by disengaging the Hook & Loop and Fastex Buckle Closure.
 - Load items such as a highcapacity radio battery or STANAG magazines into the compartment.
 - Ensure that items are packed securely to avoid movement during use.
- **Secondary Compartment:**
 - Place the handheld radio unit into the compartment.
 - Use the elastic retention loop and adjustable shock cord to secure the radio in place.
 - Adjust the lanyard as needed for optimal radio height and ease of access.
- **Accessory Storage:**
 - The pouch can also accommodate 16oz water bottles and other small accessories.
 - Ensure that any additional items do not interfere with the proper functioning of the pouch.

Disposal Instructions

- Dispose of the MUTANT Pouch in accordance with local regulations regarding textile and plastic waste.
- If the pouch is damaged beyond repair, consider recycling the materials where possible to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the MUTANT Pouch, please refer to the official SPIRITUS SYSTEMS website or contact their customer support.

By following these safety instructions, you can ensure a safe and effective experience with your MUTANT Pouch. Always prioritize safety and proper usage to maximize the benefits of this versatile storage solution.
