AR15 Tear Drop Forward Assist Assembly Safety Instruction Guide

Introduction

Thank you for choosing the LuthAR Tear Drop Forward Assist Assembly. This guide provides essential safety instructions and installation guidelines to ensure safe and effective use of the product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used in accordance with all local laws and regulations.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Keep the assembly and all firearm components out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for wear and damage.
- Use only MILSpec materials and parts compatible with your AR15 platform.
- Follow all safety instructions provided by the manufacturer of your firearm.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Do not use the forward assist assembly if it appears damaged or malfunctioning.
- Ensure that the firearm is unloaded before installing or removing any components.
- Be aware of your surroundings and ensure that the area is safe before handling your firearm.
- Consult a qualified gunsmith if you are unsure about the installation process or if you encounter any issues.

Instructions for Installation and Usage

1. Preparation

- Ensure you have the following components: Teardrop forward assist Forward assist spring Forward assist pin
- Gather necessary tools, including a punch tool and a hammer.

2. Installation Steps

- Ensure that your AR15 upper receiver is clean and free of debris.
- Insert the forward assist spring into the designated hole in the upper receiver.
- Align the teardrop forward assist with the spring and carefully press it into place.
- Use the punch tool to insert the forward assist pin through the assembly to secure it.
- Ensure that the assembly operates smoothly by pressing the forward assist and checking for any resistance.

3. PostInstallation Check

- After installation, conduct a function check of the forward assist to ensure it operates correctly.
- Test the forward assist by pressing it to ensure it engages and disengages smoothly.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the forward assist assembly is damaged beyond repair, follow your local guidelines for disposing of

firearm components.
