# Safety Instruction Guide for AR15 A2 Rear Sight Assembly

## Introduction

Thank you for choosing the AR15 A2 Rear Sight Assembly by LUTHAR. This guide provides essential safety information and instructions to ensure the safe and effective use of your rear sight assembly kit. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always handle firearms and firearm accessories with care.
- Keep the product out of reach of children and unauthorized individuals.
- Regularly inspect the product for any signs of damage or wear.
- If you encounter any issues during installation or usage, stop immediately and seek assistance.
- Report any unsafe conditions or accidents related to this product to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Installation Safety:**
  - Always ensure the firearm is unloaded before starting the installation process.
  - Use appropriate tools and wear safety goggles during assembly.
- **Operational Safety:**
  - Familiarize yourself with the operation of the rear sight before using it in the field.
  - Ensure that your firearm is properly maintained and in good working condition.
- **Usage Safety:**
  - Do not modify the rear sight assembly in any way.
  - Always follow the manufacturer's instructions for aiming and adjusting the sight.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all components from the A2 Rear Sight Assembly Kit:
  - A2 Rear Base Lug
  - A2 Rear Sight Aperture
  - Rear Base Flat Spring
  - Rear Base Windage Knob Screw
  - Rear Base Windage Knob
  - Rear Base Spring Pin
  - Rear Base Spring
  - Rear Base Ball Bearing
  - Rear Base Index Elevation (8/3)
  - Rear Base Elevation Knob
  - Rear Base Elevation Knob Spring
  - Rear Base Spring Pin
  - Rear Base Index Screw
- Ensure you have the necessary tools (e.g., screwdriver, pliers) ready for assembly.

### 2. Assembly Instructions:

- Begin by attaching the A2 Rear Base Lug to the A2 upper receiver of your firearm.
- Secure the Rear Base Flat Spring in place as specified in the assembly diagram.
- Insert the Rear Base Windage Knob Screw and attach the Rear Base Windage Knob.
- Ensure the Rear Base Spring Pin is correctly positioned.
- Assemble the remaining components following the specific order as indicated in the provided assembly diagram.
- Doublecheck all connections to ensure they are secure.

### **3. Usage Instructions:**

- Once assembled, adjust the Rear Base Elevation Knob to align your sight according to your shooting needs.
- Test the sight at a safe shooting range to ensure proper functionality.
- Make necessary adjustments to the windage and elevation settings as required.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the product is no longer usable, dispose of it in an environmentally friendly manner, ensuring it does not pose a hazard to the environment or public safety.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15 A2 Rear Sight Assembly, please refer to the manufacturer's contact information provided with the product or visit their official website for support.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your AR15 A2 Rear Sight Assembly. Always prioritize safety and seek assistance if needed. Thank you for choosing LUTHAR, and enjoy your shooting experience!
