# TDX0 Tactical Deluxe Zero Angle Grip Safety Instructions

## Introduction

Thank you for choosing the TDX0 Tactical Deluxe Zero Angle Grip. This product is designed to enhance your shooting experience by providing improved comfort and control. Please read this safety instruction guide carefully to ensure safe and effective use of the grip.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the grip.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Keep the grip and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the grip for signs of wear or damage. Replace it if any issues are found.
- Always practice safe handling and storage of firearms.

## Specific Safety Precautions for Use

- Ensure the grip is compatible with your firearm model (AR15/AR10 or similar).
- Do not use the grip if it is damaged or if installation hardware is missing.
- Be aware of your surroundings when handling firearms equipped with the grip.
- Use the grip only for its intended purpose and follow all instructions provided.

## Instructions for Installation and Usage

### 1. Installation:

- Gather all necessary tools and the installation hardware pack included with your grip.
- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing grip from your firearm according to the manufacturer's instructions.
- Align the TDX0 grip with the mounting point on the firearm.
- Securely fasten the grip using the provided screws and hardware. Ensure it is tightly installed to prevent any movement during use.

### 2. Usage:

- Hold the grip firmly with your dominant hand.
- Position your fingers on the grip, ensuring a comfortable and secure grip.
- Maintain a proper shooting stance and align your sights before firing.
- After use, always clean and inspect the grip to ensure it remains in good condition.

## Disposal Instructions

- Dispose of the grip in accordance with local regulations regarding plastic and polymer materials.
- Do not dispose of the grip in regular household waste if it is damaged or broken.
- Check with local recycling facilities for proper disposal methods.
