TDX0 Tactical Deluxe Zero Angle SureGrip Ergo Grips Safety Instructions

Introduction

Thank you for choosing the TDX0 Tactical Deluxe Zero Angle SureGrip Ergo Grips. This guide provides essential safety information and instructions for the safe use and installation of your new grips. Please read this document thoroughly to ensure safe handling and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Ensure safe use of the TDX0 grips by following all guidelines. This product is designed for nonfood use and complies with EU safety standards.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to the TDX0 grips. In case of safety concerns, remedies will be provided free of charge.
- **Online Shopping Protections:** If purchased online, know that the same safety protections apply as when bought in physical stores.
- **Special Consumer Focus:** Extra care should be taken when the product is used by or around vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, ensure you have access to an EU-based contact point.
- **Rapid Alerts:** Be aware of the EU's Safety Gate system, which provides quick updates on unsafe products.

Specific Safety Precautions for Use

- **Proper Use:** The TDX0 grips are designed for AR15 and AR10 platforms. Ensure compatibility with your firearm before installation.
- **Installation Safety:** Follow the installation instructions carefully. Improper installation may lead to accidents or injuries.
- **Check for Damage:** Before use, inspect the grips for any signs of damage. Do not use if any parts are broken or missing.
- **Avoid Modifications:** Do not modify the grips in any way, as this may compromise safety and performance.
- **Storage:** Store the grips in a cool, dry place, away from direct sunlight and moisture to prevent degradation of materials.
- **Keep Out of Reach of Children:** Ensure that the grips are stored securely and out of reach of children to prevent accidents.

Instructions for Installation and Usage

1. Installation Steps:

- Gather all necessary tools as specified in the installation hardware pack included with your grips.
- Remove the existing grip from your firearm by following the manufacturer's instructions.
- Align the TDX0 grip with the mounting surface of your firearm.
- Securely attach the grip using the provided screws and hardware. Ensure it is tightened properly to avoid any movement during use.
- Check that the grip is firmly installed before using your firearm.

2. Usage Guidelines:

- When handling your firearm, maintain a proper grip on the TDX0 grips for optimal control.

- Practice safe firearm handling techniques at all times.
- Regularly inspect the grips for wear and tear, especially after extensive use.

Disposal Instructions

- **Environmental Considerations:** Dispose of the TDX0 grips and any packaging materials in accordance with local regulations regarding plastic and polymer waste.
- **Recycling:** If possible, recycle the product and packaging to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding safety, installation, or product performance, please refer to the manufacturer's contact details provided with your purchase. Ensure you have the product information on hand for a more efficient inquiry.

Thank you for your attention to these safety instructions. Enjoy the enhanced comfort and control provided by the TDX0 Tactical Deluxe Zero Angle SureGrip Ergo Grips.
