

# 34 ALPHA CHEST RIG - SPIRITUS SYSTEMS 34 ALPHA CHEST RIG MULTICAM ARID

[Shooting Accessories](#) > [Tactical Gear](#) > [Chest Rigs](#)

34 Alpha Chest Rig The 34 Alpha Chest Rig is a split chassis that will interface directly with the existing Spiritus Systems straps and pouches. This is a true blank-slate platform that enables load-carriage configuration options for weapon ammo of nearly any caliber, and when combined with the Spiritus Systems current Pouch Suite, the end user's options are near-limitless. The system is constructed to be as low-profile as possible to add minimal bulk to the finished split rig, letting the end-user configure a chest rig that does exactly what they need it to do on any given mission without added bulk or unused space. The system can be paired with a set of Micro Fight Fat Straps and Back Strap to create a complete platform for a wide range of load bearing configurations. The panels are built with Squadron MOLLE front faces and elastic cells on the back for extra storage. The bottom of each 34 Alpha Panel also has a Velcro slot to mount hanger pouches. The chest rig panels are connected via two sliding Fastex buckles that provide a secure connection point, as well as quick, one-handed, opening and closing when engaging in activities that may require an open front configuration (i.e. going into the prone). They also allow for micro adjustments at the front without having to modify the width of the back strap. Each panel features six columns of MOLLE on the front and is compatible with all of Spiritus' GP Pouches, our SPUD Pouch, the Liberty Dynamic Flash Bang Pouch, the JSTA Pouch, and Nalgene Water Bottle Pouch. The top of the panel is built with integrated anchor point holes that give the wearer a secure solution for internal magazine retention when combined with our bungee retention kit, or to tie down secure items stored on the chest rig pouches. The internal elastic cells in the back are sewn in at three different widths to accommodate a wide range of items ranging from pistol magazines and multi-tools, all the way to 7.62 rifle mags and more. When assembled, the 34 Alpha Split Rig gives end-users access to a load bearing solution that will support a wide range of weapon platforms, mission profiles, and loadouts. NOTE: This is part of the Spiritus Systems Chest Rig System. This item does not include the chassis, shoulder straps, magazine inserts, or any other accessories. Note: This product may be shown with optional accessories. Made in the USA

## Attributes

- Name: [SPIRITUS SYSTEMS 34 ALPHA CHEST RIG MULTICAM ARID](#)
- Manufacturer: [SPIRITUS SYSTEMS](#)
- Product no.: 430104941
- Mfr. No.: CR-AL-MA
- Colour: Multi-Cam Arid
- Delivery weight: 0.346kg
- Shipping height: 25mm
- Shipping width: 216mm
- Shipping length: 305mm

# Safety Instruction Guide for the 34 Alpha Chest Rig

## Introduction

Thank you for choosing the 34 Alpha Chest Rig by Spiritus Systems. This guide provides essential safety information and instructions to ensure the safe use of your chest rig. Please read this guide thoroughly before use to understand how to operate and maintain your product safely.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the chest rig by following the instructions provided. This product is designed for loadcarrying configurations and should be used as intended.
- **Enhanced Recalls:** Stay informed about any recall notices. If the product is found to be unsafe, Spiritus Systems will provide remedies as required.
- **Online Shopping:** If purchased online, ensure that the platform complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for children. Ensure that it is used by adults only.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point provided with your product.
- **Rapid Alerts:** Check the EU Safety Gate platform regularly for updates on product safety and recalls.

## Specific Safety Precautions for Use

- **Proper Fit:** Ensure that the chest rig is properly fitted before use to avoid shifting during activities.
- **Weight Distribution:** Do not overload the rig beyond its designed capacity. Distribute weight evenly to maintain balance.
- **Adjustments:** Make necessary adjustments to the straps and buckles to ensure a secure and comfortable fit.
- **Inspection:** Regularly inspect the rig for wear and tear. Replace any damaged components immediately.
- **Use in Safe Conditions:** Avoid using the chest rig in extreme weather conditions that may compromise its integrity or your safety.

## Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the chest rig from its packaging. Check for any visible damage or missing parts.
2. **Adjusting Straps:**
  - Locate the shoulder straps and back strap.
  - Adjust the length of each strap to ensure a snug fit without restricting movement.
3. **Connecting Panels:**
  - Align the two sliding Fastex buckles on the chest rig panels.
  - Slide the buckles together until they click into place, ensuring a secure connection.
4. **Attaching Pouches:**
  - Utilize the MOLLE webbing on the front of the chest rig to attach compatible pouches.
  - Ensure that pouches are securely attached and do not obstruct movement.
5. **Load Configuration:**
  - Load items into the elastic cells and pouches according to your mission requirements.
  - Ensure that heavier items are positioned closer to the center of the rig for better weight distribution.
6. **Final Adjustments:**
  - Make any final adjustments to the straps for comfort and accessibility.

- Test the rig by moving around to ensure it remains secure and comfortable.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the chest rig and any associated components responsibly. Follow local regulations for the disposal of textiles and plastic materials.
- **Recycling:** If possible, recycle the materials to minimize environmental impact.

## Contact Information for Further Support

For any questions or support regarding the 34 Alpha Chest Rig, please refer to the contact information provided with your product or visit the Spiritus Systems website.

Thank you for your attention to these safety instructions. Enjoy your 34 Alpha Chest Rig and stay safe during your activities!
