

# 34 ALPHA CHEST RIG - SPIRITUS SYSTEMS 34 ALPHA CHEST RIG WOODLAND

[Shooting Accessories](#) > [Tactical Gear](#) > [Chest Rigs](#)

34 Alpha Chest Rig The 34 Alpha Chest Rig is a split chassis that will interface directly with the existing Spiritus Systems straps and pouches. This is a true blank-slate platform that enables load-carriage configuration options for weapon ammo of nearly any caliber, and when combined with the Spiritus Systems current Pouch Suite, the end user's options are near-limitless. The system is constructed to be as low-profile as possible to add minimal bulk to the finished split rig, letting the end-user configure a chest rig that does exactly what they need it to do on any given mission without added bulk or unused space. The system can be paired with a set of Micro Fight Fat Straps and Back Strap to create a complete platform for a wide range of load bearing configurations. The panels are built with Squadron MOLLE front faces and elastic cells on the back for extra storage. The bottom of each 34 Alpha Panel also has a Velcro slot to mount hanger pouches. The chest rig panels are connected via two sliding Fastex buckles that provide a secure connection point, as well as quick, one-handed, opening and closing when engaging in activities that may require an open front configuration (i.e. going into the prone). They also allow for micro adjustments at the front without having to modify the width of the back strap. Each panel features six columns of MOLLE on the front and is compatible with all of Spiritus' GP Pouches, our SPUD Pouch, the Liberty Dynamic Flash Bang Pouch, the JSTA Pouch, and Nalgene Water Bottle Pouch. The top of the panel is built with integrated anchor point holes that give the wearer a secure solution for internal magazine retention when combined with our bungee retention kit, or to tie down secure items stored on the chest rig pouches. The internal elastic cells in the back are sewn in at three different widths to accommodate a wide range of items ranging from pistol magazines and multi-tools, all the way to 7.62 rifle mags and more. When assembled, the 34 Alpha Split Rig gives end-users access to a load bearing solution that will support a wide range of weapon platforms, mission profiles, and loadouts. NOTE: This is part of the Spiritus Systems Chest Rig System. This item does not include the chassis, shoulder straps, magazine inserts, or any other accessories. Note: This product may be shown with optional accessories. Made in the USA

## Attributes

- Name: [SPIRITUS SYSTEMS 34 ALPHA CHEST RIG WOODLAND](#)
- Manufacturer: [SPIRITUS SYSTEMS](#)
- Product no.: 430104943
- Mfr. No.: CR-AL-WD
- Colour: Woodland
- Delivery weight: 0.346kg
- Shipping height: 25mm
- Shipping width: 216mm
- Shipping length: 305mm

# Safety Instruction Guide for the 34 Alpha Chest Rig

## Introduction

Thank you for choosing the 34 Alpha Chest Rig by Spiritus Systems. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before use.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the 34 Alpha Chest Rig by following all instructions. This product is designed for loadbearing applications and should be used accordingly.
- **Enhanced Recalls:** Stay informed about any recall notices. If you receive a recall notice, follow the instructions provided for remedy.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with EU safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of children to prevent accidents.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Regularly check for updates on unsafe products through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Proper Use:** Always use the chest rig as intended. Do not overload it beyond its designed capacity.
- **Inspection:** Before each use, inspect the rig for any signs of wear, damage, or malfunction. Do not use if any components are damaged.
- **Adjustments:** Ensure all straps and buckles are securely fastened before use. Make necessary adjustments to fit the rig properly to your body.
- **Environmental Conditions:** Avoid using the chest rig in conditions that may compromise its integrity, such as extreme temperatures or exposure to harsh chemicals.
- **Training:** Familiarize yourself with the rig's features and operations. Proper training is recommended for optimal use.

## Instructions for Installation and Usage

### 1. Assembly:

- Unpack the chest rig and lay out all components.
- Attach the shoulder straps to the designated points on the rig.
- Ensure that the Fastex buckles are securely fastened.

### 2. Fitting:

- Put on the chest rig and adjust the shoulder straps to achieve a comfortable fit.
- Adjust the back strap to ensure the rig sits securely on your torso without excessive movement.

### 3. Load Configuration:

- Select compatible pouches from the Spiritus Systems Pouch Suite.
- Attach pouches using the MOLLE webbing on the chest rig.
- Ensure that all pouches are securely fastened and that the load is evenly distributed.

#### 4. **Usage:**

- When wearing the rig, ensure that it does not obstruct your movement or visibility.
- If you need to access items in the pouches, practice quickrelease techniques for efficiency.

#### 5. **Maintenance:**

- Regularly clean the rig according to the manufacturer's instructions.
- Store the rig in a cool, dry place when not in use.

## Disposal Instructions

- **Environmental Responsibility:** Dispose of the chest rig in accordance with local regulations. Consider recycling options where available.
- **NonHazardous Waste:** The materials used in this product are generally nonhazardous. However, always check local disposal guidelines for specific instructions.

## Contact Information for Further Support

For any questions or concerns regarding the 34 Alpha Chest Rig, please refer to the contact information provided by the retailer or manufacturer. Always ensure you are following the latest safety guidelines and product updates.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
