

EXPANDER WING MK 2 - SPIRITUS SYSTEMS EXPANDER WING MK2 WOODLAND

[Shooting Accessories](#) > [Tactical Gear](#) > [Accessories](#)

The Expander Wing Mk 2 was built as direct replacement for the original Spiritus Systems Micro Fight Expander Wing Set with a focus on enhancing the product's functionality for plate carriers. The wing attaches to a Micro Fight Chassis or 556 Placard with a Velcro flap and can be mounted for increased storage capacity on a chest rig or under the cummerbunds of a LV/119.

Unlike its predecessor, the Expander Wing Mk 2 is completely reversible, and can be used on either the right or left side of the torso without any reduction in functionality or storage capacity. Spiritus Systems sells the Expander Wing Mk 2 individually for end users who do not require a full set for their loadout. (Reminder: If you want a set of these, make sure to add TWO to the cart.)

Wings used for chest rigs are mounted to the soft loop Velcro field on the back side of the Micro Fight Chest Rig. They also utilize Spiritus Systems unique loop over design that attaches to your Fat or Skinny straps to ensure a comfortable and stable attachment that will not sag even with heavy items placed inside. When used in conjunction with plate carriers, the Expander Wing Mk 2 will integrate with both Velcro and TUBES cummerbunds. The wing features a TUBES bar pass-through so the cummerbund can be attached or separated without the need to remove the expander wing. The Expander Wing Mk 2 is designed to hug the body which reduces their signature and securely holds items in place. The base Expander Wing Mk 2 pocket depth is 6" however, the adjustable internal retention strap can be lengthened or shortened to create the perfect pocket depth for your items. The top of the pocket also features double eyelets and a bungee retention kit, so radios and magazines remain secure during periods of movement. The expander wing will hold most small & medium caliber rifle magazines as well as a variety of radio platforms like the MPU5, 152, 163, and smaller units like Motorola XTS 5000.

Safety Instruction Guide for EXPANDER WING MK 2

Introduction

Thank you for choosing the EXPANDER WING MK 2 by Spiritus Systems. This product is designed to enhance the functionality of your plate carrier system. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the EXPANDER WING MK 2 by following all instructions. This product is designed for use with plate carriers and should not be used for any other purpose.
- **Enhanced Recalls:** Always check for recall notices. If you receive a recall notice, stop using the product immediately and follow the instructions provided.
- **Online Shopping:** When purchasing online, ensure that you are buying from authorized retailers to guarantee the safety and authenticity of the product.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored out of reach of children to prevent accidents.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Stay informed about product safety updates by checking the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- **Proper Fit:** Ensure that the EXPANDER WING MK 2 fits your body and plate carrier properly to avoid discomfort or injury.
- **Weight Distribution:** Do not overload the pockets of the EXPANDER WING MK 2. Excessive weight can lead to instability and increase the risk of accidents.
- **Secure Attachment:** Always ensure that the wing is securely attached to the Micro Fight Chassis or 556 Placard using the Velcro flap before use.
- **Avoid Sharp Objects:** Do not place sharp objects in the pockets of the EXPANDER WING MK 2 to prevent punctures or injuries.
- **Regular Inspections:** Periodically check the integrity of the product for any signs of wear or damage. If any damage is found, discontinue use immediately.

Instructions for Installation and Usage

1. Installation:

- Attach the EXPANDER WING MK 2 to your Micro Fight Chassis or 556 Placard using the Velcro flap.
- Ensure the attachment is secure and that the wing is positioned correctly on either side of the torso.
- For chest rigs, mount the wing to the soft loop Velcro field on the back side of the Micro Fight Chest Rig.

2. Usage:

- Use the adjustable internal retention strap to customize the pocket depth according to your items.
- Utilize the double eyelets and bungee retention kit at the top of the pocket to secure radios and magazines during movement.
- Ensure that items stored in the pockets do not exceed the recommended weight limit to maintain

stability.

Disposal Instructions

- Dispose of the EXPANDER WING MK 2 responsibly. Follow local regulations for textile waste disposal.
- If the product is damaged beyond repair, consider recycling the materials if possible.

Contact Information for Further Support

For any safety inquiries or additional support regarding the EXPANDER WING MK 2, please refer to the contact information provided by the retailer or manufacturer.

By following these safety guidelines and instructions, you can ensure that your experience with the EXPANDER WING MK 2 is safe and effective. Thank you for your attention to these important safety measures.
