

MICRO FIGHT CHASSIS - SPIRITUS SYSTEMS MICRO FIGHT CHASSIS MK5 MULTICAM ARID

[Shooting Accessories](#) > [Tactical Gear](#) > [Chest Rigs](#)

The Micro Fight Chassis MkV is a small and lightweight chassis that can be used as either a standalone magazine placard on a plate carrier, or the central hub for a chest rig when other Spiritus Systems components are used. The MkV is a single cell placard-style chassis that is built with all-new materials and manufacturing processes. The design features MOLLE on the front and sides to accommodate additional magazine pouches. Tourniquets and other equipment can also be stowed outboard with our universal retention kit, and a row of anchor points along the top opening will interface with our magazine bungee retention kit to secure any caliber of weapon. The main cell of the MkV Chassis is lined with loop Velcro on both sides and will accommodate all of Spiritus Systems' magazine inserts. Versatile and Scalable The Micro Fight Chest Rig MkV will interface with the whole line of Spiritus Systems chest rig and plate carrier components. The footprint of the MkV is identical to the Mk4 and will seamlessly connect with Expander Wings, LV/119 plate bags, and the Thing 1 and Thing 2. The MkV is extremely capable as a low-bulk solution for environments where space and weight command a premium. However, the product's modularity and compatibility with all Spiritus Accessories allow the micro fight to scale from a minimalistic magazine carrier to a full-fledged plate carrier system, or various sustainment and comms-focused chest rigs. The CCS Pouch The MkV can be combined with its companion product, the CCS Pouch. The CCS pouch is a full-featured GP Pouch that vastly improves upon the legacy front cell's functionality, and storage capacity. For those that do not need a GP Pouch solution, the MkV's MOLLE front will accept any 3rd party magazine holders or other pouches

Attributes

- Name: [SPIRITUS SYSTEMS MICRO FIGHT CHASSIS MK5 MULTICAM ARID](#)
- Manufacturer: [SPIRITUS SYSTEMS](#)

MICRO FIGHT CHASSIS MK5 Safety Instruction Guide

Introduction

Thank you for choosing the MICRO FIGHT CHASSIS MK5 from Spiritus Systems. This guide provides essential safety instructions and information to ensure the safe use of the product. Please read this guide carefully before using the chassis.

General Safety Guidelines

- **Product Safety:** This product is designed to be safe for use as a magazine placard or chest rig. Ensure that you follow all safety guidelines to avoid injuries.
- **Enhanced Recalls:** In the event of a safety issue, Spiritus Systems will provide standardized recall notices and remedies. Always check for updates regarding product recalls.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with safety requirements equivalent to those in physical stores.
- **Special Consumer Focus:** Extra care should be taken when using the product around vulnerable groups, such as children.
- **EU Contact Point:** For safety inquiries, please consult the relevant EU-based contact as provided by the retailer.
- **Rapid Alerts:** Stay informed of any updates regarding unsafe products through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is not intended for use by children under the age of 18.
- **Proper Use:** Ensure that the chassis is used only for its intended purpose. Misuse may lead to accidents or injuries.
- **Check for Damage:** Before each use, inspect the chassis for any signs of wear or damage. Do not use if damaged.
- **Weight Limit:** Be mindful of the load capacity when attaching equipment to the chassis. Overloading may result in failure.
- **Secure Attachments:** Ensure that all attachments and pouches are properly secured to prevent accidental detachment during use.
- **Avoid Sharp Objects:** Be cautious when handling sharp objects near the chassis to prevent punctures or cuts.

Instructions for Installation and Usage

- **Installation:**

1. Ensure you have all necessary components and accessories.
2. Attach the chassis to your plate carrier or chest rig using the MOLLE system.
3. Secure all straps and connections to ensure stability.

- **Usage:**

1. Load magazines into the designated slots, ensuring they are properly seated.
2. Use the loop Velcro to secure any additional inserts as needed.
3. For added equipment, utilize the universal retention kit to stow items securely.
4. Adjust the chassis as necessary for comfort and accessibility.

- **Maintenance:**

1. Regularly clean the chassis using a damp cloth. Avoid harsh chemicals that may damage the material.
2. Store the chassis in a dry place when not in use to prevent moisture damage.

Disposal Instructions

- **Recycling:** Dispose of the product according to local recycling regulations. Check for specific guidelines related to textile and plastic waste.
- **Environmental Considerations:** Do not dispose of the product in regular household waste. Ensure it is recycled or disposed of in an environmentally friendly manner.

Contact Information for Further Support

For any questions or concerns regarding the MICRO FIGHT CHASSIS MK5, please refer to the customer support information provided by the retailer or manufacturer. It is important to address any safety inquiries promptly to ensure your safety and satisfaction.

By following these safety instructions, you can ensure a safe and effective experience with your MICRO FIGHT CHASSIS MK5. Thank you for your attention to these guidelines.
