Description Hob Knob™ Enhanced Charging Handle Better Grip More Secure Faster Handling The absolute best AK charging handle available. The TWS exclusive 3-Bolt design is guaranteed to never come loose and fall off. Other makes use a single tiny screw resulting in stripped Allen wrenches, frequent loosening, and potential loss after just a few shots. Unlike others, the Hob Knob™ uses three beefy ¼-20 set screws for the most secure attachment. The 3-Bolt design also lets you adjust tilt for the perfect comfortable angle. Light weight anodized aluminum keeps weight down. The meaty size feels positive and comfortable in the hand while axial grooves improve grip. Guaranteed for life. Specs Universal fit on most AK variants* Weight: 0.6 oz Length: 1.200" Diameter: 0.800" Material: anodized aluminum 6061-T6 Fasteners: (3X) set screw ¼-20 Available in Black, Red, Blue or Gold * Tested to fit on most Russian, Romanian, and Yugo pattern AK rifles. May require custom fitting on some rifles.

HOB KNOB CHARGING HANDLE SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the HOB KNOB CHARGING HANDLE for your AK47. This product is designed to enhance your handling experience while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use and maintain your charging handle safely.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure the charging handle is properly installed before use.
- Regularly inspect the charging handle for any signs of wear or damage.
- Keep the charging handle and firearm away from children and unauthorized users.
- Follow all local laws and regulations regarding firearm usage.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not use the charging handle if it appears damaged or compromised.
- Ensure that the charging handle is securely fastened before handling your firearm.
- Use the charging handle only with compatible AK47 variants as specified.
- Avoid using excessive force when operating the charging handle.
- Be aware of your surroundings and ensure that the firearm is pointed in a safe direction at all times.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing charging handle (if applicable) by loosening the fasteners.
- Align the HOB KNOB CHARGING HANDLE with the charging handle slot on your AK47.
- Secure the charging handle in place using the three ¼20 set screws provided. Ensure that all screws are tightened adequately to prevent loosening during use.
- Adjust the tilt of the charging handle to find the most comfortable angle for your grip.

2. Usage

- Grip the HOB KNOB CHARGING HANDLE firmly with your dominant hand.
- Pull the charging handle back smoothly to chamber a round or clear the action.
- Release the charging handle to allow it to return to its original position.
- Practice using the charging handle to become familiar with its operation.

Disposal Instructions

- Dispose of the HOB KNOB CHARGING HANDLE responsibly in accordance with local waste management regulations.
- If the charging handle is damaged and no longer usable, consider recycling the aluminum material where possible.
