## The Plate Carrier That Can Do it All

The SMC Plate Carrier is our most advanced carrier design to date. The SMC (Shoot, Move, Communicate) is everything you've wanted in a lightweight, combat-ready plate carrier. Designed to carry a pair of 10"x12" hard plates or most large SAPI plates, the cummerbund features MOLLE/PALS style webbing for the addition of pouches for side plates if you prefer your kidneys remain non-perforated. The front panel also features an open pocket for maps, water/cable retention or enough room for a fleece watch cap or gloves. This carrier is "one size fits most" thanks to its adjustable shoulder straps and cummerbund, ensuring a snug fit for just about every warrior's body type. Should you find yourself on fire, trapped in a tight spot or unexpectedly going for a swim, the new ROC buckles on one shoulder strap (reversible) and either side of the cummerbund can be rapidly released in case of emergency. These also make putting on the carrier much more convenient when you are in a hurry. The secret sauce behind the SMC is literally in the back. YKK Zippers and webbing on the back panel are designed for attaching any one of the new SMC zippered back panels, so you can specifically tailor your carrier for the mission ahead. All these panels are compatible with SOCOM issued carriers with zippered back panel systems. View the whole line in the SMC Back Panel collection. As for the SMC carrier, breathable mesh is built into the cummerbund and inside faces of the carrier body for enhanced comfort. Interior padding enclosed in weave gives the wearer additional comfort and air channels to wick away moisture. There are six rows of MOLLE/PALS style webbing with built in matching loop material on the top three rows for the option of attaching patches or ID panels. Laser cut laminate nylon gives you all the modularity of traditional MOLLE webbing at a significant reduction in weight while remaining strong and water/chemical resistant. Longevity is also increased as cut edges do not fray after they are heat sealed with the laser.

# SMC Plate Carrier Safety Instruction Guide

## Introduction

Thank you for choosing the SMC Plate Carrier by Grey Ghost Gear. This guide provides essential safety instructions to ensure the safe use and maintenance of your plate carrier. Please read this document carefully before use.

## General Safety Guidelines

- **Product Safety:** The SMC Plate Carrier is designed for safe use in combat and tactical situations. Ensure proper handling to avoid injuries.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a recall notice, follow the instructions provided to return or remedy the product.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with EU safety requirements.
- **Special Consumer Focus:** This product is not intended for children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by your retailer.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on unsafe products.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Ensure that the plate carrier is properly fitted before use to prevent accidents.
  - Check for any wear or damage to the carrier before each use.
- **Avoiding Hazards:**
  - Do not use the carrier if it shows signs of fraying, tears, or damaged buckles.
  - Ensure that all buckles are securely fastened before engaging in any activity.
  - Avoid placing excessive weight on the carrier that exceeds its design specifications.
- **Age Specific Warnings:**
  - This product is intended for adult users only. Do not allow children to handle or use the carrier.

## Instructions for Installation and Usage

- **Fitting the Carrier:**
  - Adjust the shoulder straps and cummerbund for a snug fit.
  - Ensure that the carrier sits comfortably on your torso without restricting movement.
- **Attaching Accessories:**
  - Utilize the MOLLE/PALS webbing to attach pouches or accessories as needed.
  - Ensure that any attached items do not obstruct movement or visibility.
- **Emergency Release:**
  - Familiarize yourself with the ROC buckles on the shoulder strap and cummerbund.
  - Practice releasing the buckles quickly in case of an emergency.
- **Maintenance:**
  - Regularly inspect the carrier for wear and tear.
  - Clean the carrier as needed, following the manufacturer's cleaning instructions.
- **Storage:**
  - Store the carrier in a dry, cool place when not in use to prevent damage.

## Disposal Instructions

- Dispose of the SMC Plate Carrier responsibly at a facility that accepts textile waste.
- Do not burn the carrier, as this may release harmful substances.
- Ensure that any metal components are recycled according to local regulations.

## **Contact Information for Further Support**

For any questions or concerns regarding the SMC Plate Carrier, please refer to the contact information provided by your retailer. They will assist you with any safety inquiries or product support.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your SMC Plate Carrier!
