Grey Ghost Gear took the 'Go-Bag' concept and transformed it into a slimmer profile upon request of Law Enforcement and First Responders. The Transport Bag is the ideal size for storing in a vehicle, either behind or under the seats. Should you need to rapidly reacting to a critical situation, the Transport Bag can be easily grabbed and brought into the fight. The main compartment has ample room for a handgun or even a folded PDW/SBR, along with additional magazines, medical supplies, food/water, and other essentials. One wall has two zippered mesh pockets for organization, while the opposite side has a loop panel for attaching a hook-backed holster or pouch, as well as six elastic loops that are perfect for pistol magazines, flashlights, and other similarly shaped items. On the exterior, both ends feature generously sized pouches with hook and loop AND buckle closures that keep the contents secure... even when you're at full speed. What happens when your rifle starts to get hungry? We've got you covered with five rifle mag-sized elastic loops that line the flap pocket, that also work great for keeping a couple tourniquets at the ready. Constructed from 500D Cordura® Nylon, the RRS Transport Bag also has an adjustable/removable shoulder strap as well as dual carry handles so you can bug in or bug out of any scenario.
