

RANGE BAG - GREY GHOST GEAR RANGE BAG COYOTE BROWN

[Shooting Accessories](#) > [Range Gear](#) > [Range Bags](#)

The Grey Ghost Gear™ Range Bag will get you to the range with the kit that you need for a day on the range and keep it organized and handy. The bag measures 9 inches tall, 20 inches wide, and 7 inches deep. 1260 total cubic inches. It is constructed of 500D nylon Cordura. The strap is generous, padded and contoured to stay on the users shoulder when they have their hands full. It features full adjustability and is easily removed by disengaging the side release buckles on either side. On either end there are zippered pockets sized to contain folded electronic ear pro, range finders, staple guns, or your lunch. On the front of the bag is a zippered pouch that will allow the front to fold out to a handy workstation. Two zippered diagonal pockets are perfect for allen keys and other small tools, while the interior wall is outfitted with elastic loop for magazine and or tool storage. The fold down flap is covered with vinyl to make a workspace that can stand up to oil and solvents used in cleaning and lubing your weapon. The real hero is the rare earth magnet sewn into the middle of the work area that will draw small metal pieces to it, like grip screws, to keep them from walking off. On the reverse side of the bag there is a flap pocket to accept a gun rug, targets and the like. Two exterior zippered pockets are ideal for score cards, batteries, or range snacks. The interior of the main compartment is lined with hook and loop material, so you can configure the customizable divider and the removable mesh dump pouch for you brass hounds out there. The lid has mesh storage on the underside for even more organization of shooting supplies. The bottom of the bag has non-skid feet and webbing to reinforce the bag.

Safety Instructions for the Grey Ghost Gear Range Bag

Introduction

Thank you for choosing the Grey Ghost Gear™ Range Bag. This safety instruction guide is designed to help you use your range bag safely and effectively, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before use to ensure a safe and enjoyable experience.

General Safety Guidelines

- Ensure that the range bag is used only for its intended purpose.
- Regularly inspect the bag for any signs of wear or damage.
- Keep the bag out of reach of children and vulnerable individuals.
- Avoid overloading the bag to prevent strain on the seams and zippers.
- Always secure the contents of the bag to prevent them from shifting during transport.
- If you notice any defects or issues, discontinue use and contact the manufacturer.

Specific Safety Precautions for Use

- When using the bag, ensure that all zippers are fully closed to secure contents.
- Be cautious when accessing the contents of the bag, especially sharp tools or equipment.
- Use the padded strap to carry the bag, as it is designed to distribute weight evenly.
- Avoid placing the bag near heat sources or in direct sunlight for prolonged periods.
- Do not use the bag to store or transport hazardous materials or substances.
- Ensure that the bag is placed on a stable surface when using it as a workstation.

Instructions for Installation and Usage

- **Setting Up the Bag:**
 - Open the main compartment by unzipping the top zipper.
 - Use the customizable divider to organize your gear as needed.
 - Attach the removable mesh dump pouch to the interior wall if required.
- **Using the Bag:**
 - Adjust the padded strap to your preferred length for comfort.
 - Use the zippered pockets to store smaller items securely.
 - Utilize the fold-down flap as a workstation, ensuring it is clean and free of debris before use.
 - Store any electronic devices or sensitive items in the designated zippered pockets to protect them.
- **Cleaning and Maintenance:**
 - Wipe the exterior with a damp cloth to remove dirt and stains.
 - Avoid using harsh chemicals or solvents that could damage the material.
 - Allow the bag to air dry completely before storing it away.

Disposal Instructions

- When the range bag reaches the end of its life cycle, dispose of it responsibly.
- Check local regulations for guidelines on disposing of nylon and other materials.
- If possible, recycle the bag or donate it if it is still in usable condition.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Grey Ghost Gear™ Range Bag, please reach out to your local distributor or manufacturer. Always keep the product manual and safety instructions for future reference.

By following these safety guidelines and instructions, you can ensure a safe experience with your Grey Ghost Gear™ Range Bag. Thank you for your attention to safety!
